INDEMNITY

Carrier shall, to the full extent permitted by applicable law, indemnify, defend, and hold harmless Huntsman and its affiliates and their respective shareholders, directors, officers, employees, and agents (each an "**Indemnified Party**" and collectively "**Indemnified Parties**") from and against all claims, losses, damages, liabilities, fines, penalties, costs, and expenses (including all reasonable fees and disbursements of counsel) for possible harm including, but not limited to, personal injuries, death, property damage, commercial loss, or natural resources or environmental damage (including all reasonable fees and disbursements of counsel) (collectively, "**Losses**"), as incurred (payable promptly upon written request), arising from, in connection with, or otherwise with respect to (i) Carrier's negligence, gross negligence, willful misconduct, or strict liability in relation to or in connection with any entry or activities (including performance of Carrier's duties) upon at a Huntsman LLC (or an affiliate's) facility by Carrier or its employees or subcontractors, or (ii) any failure by Carrier to observe or perform any term or provision of this PUP or applicable law to be observed or performed by Carrier. Carrier shall not be liable to an Indemnified Party hereunder to the extent that any Loss is found in a final nonappealable judgment by a court to have resulted solely from Huntsman's negligence, gross negligence, or willful misconduct. The provisions of this paragraph shall survive the expiration or other termination of the services and any related agreement.

TWIC – Transportation Worker Identification Credential(s)

For Carriers picking up or delivering at certain facilities that are water served and therefore under the auspices of both the U.S. Coast Guard and the Department of Homeland Security (DHS), as required by the DHS, each driver shall possess and present a valid TWIC card to the appropriate security personnel.

Drivers arriving at a Huntsman facility without a valid TWIC card, where required, will be refused access. Neither Huntsman nor Huntsman's 3rd Party locations (for purposes of this PUP, "**Huntsman Facilities**") will be liable for any costs incurred by the driver, Carrier or any third party for failure to comply, including but not limited to costs for detention, equipment ordered but not used, or downtime. The Port Neches, Texas facility may be able to offer an escort at its sole discretion, but this option should not be relied upon and Carrier shall ensure its drivers carry a TWIC card.

It is the Carrier's responsibility to verify whether a valid TWIC card is needed before arriving at a Huntsman Facility for loading and/or unloading.

QUALIFIED DRIVERS:

All drivers picking up or delivering to Huntsman Facilities in the United States or Canada must meet all requirements of the US Federal Motor Carrier Administration, Division of Transportation (DOT) to be "a person qualified to drive a commercial motor vehicle," as provided in 49 C.F.R. Section 391.11. Proof of compliance (such as an Interstate CDL) may be required as a condition of entry into any such Huntsman Facility.

All drivers must be proficient in English.

CARRIER'S NAME

Carrier's name and DOT number must be on the driver's door of cab. Use of magnetic or temporary signs is permitted.
