Item 9. Regulation FD Disclosure.

On July 29, 2003, Huntsman International LLC (the "Company") issued an earnings press release and furnished the earnings press release with a Current Report on Form 8-K. The results reported in the earnings press release reflected an estimated \$10.4 million restructuring charge for certain additional restructuring at the Company's Rozenburg, Netherlands Polyurethanes facilities. Upon further review, the Company has determined that only \$1.4 million of these costs should be recorded in the second quarter 2003 in accordance with Statement of Financial Accounting Standards No. 146, "*Accounting for Costs Associated With Exit or Disposal Activities*." Accordingly, the Company's Quarterly Report on Form 10-Q for the quarter ended June 30, 2003, which the Company filed today, reports pretax operating results for the three and six month periods ended June 30, 2003 that are \$9.0 million higher than the operating results reported in the earnings press release. The remainder of the costs associated with this restructuring will be recorded in future reporting periods through 2005 in accordance with generally accepted accounting principles.

Please refer to the Company's Quarterly Report on Form 10-Q for additional information.
