PROXY STATEMENT

FOR ANNUAL MEETING OF STOCKHOLDERS
To Be Held on May 4, 2006

This proxy statement and accompanying proxy card are being furnished to the stockholders of Huntsman Corporation in connection with the solicitation of proxies by its Board of Directors (the "Board"). The proxies are to be voted at our 2006 Annual Meeting of Stockholders (the "Annual Meeting") to be held at The Woodlands Waterway Marriott Hotel and Convention Center, 1601 Lake Robbins Drive, The Woodlands, Texas, at 10:30 a.m., local time, on Thursday, May 4, 2006, and any adjournments or postponements thereof, for the purposes set forth in the accompanying notice of annual meeting. The Board is not aware of any other matters to be presented at the Annual Meeting. This proxy statement and the accompanying proxy card, which are accompanied by our annual report to stockholders for the year ended December 31, 2005, have been first mailed to stockholders on or about April 7, 2006. Stockholders are referred to the annual report for financial and other information about our activities. The annual report is not incorporated by reference into this proxy statement and is not deemed to be a part hereof.

Jon M. Huntsman and other members of the Huntsman family together with MatlinPatterson Global Opportunities Partners L.P. and its affiliates ("MatlinPatterson") indirectly own approximately 58.7% of the outstanding shares of our common stock. As a result, they have the power to control matters submitted to our stockholders, including the election of directors and the ratification of the appointment of Deloitte & Touche LLP. We have been informed that these persons intend to cause the shares indirectly held by them to be voted for the election of the nominees to the Board named herein and for the ratification of the appointment of Deloitte & Touche LLP as our independent registered public accounting firm.

We sent you this proxy statement and the accompanying proxy card because our Board is soliciting your proxy to vote your shares at the Annual Meeting. As a stockholder, you are invited to attend the Annual Meeting and entitled to vote on the items of business described in this proxy statement.

Our notice of annual meeting, proxy statement and annual report to stockholders are available on our website at www.huntsman.com. As an alternative to receiving printed copies of these materials in future years, you may elect to receive and access future annual meeting materials electronically. Choosing this option will save us the cost of printing and mailing these annual meeting materials. If you have a computer with Internet access, we hope you will try this electronic distribution method. If your shares are registered directly in your name with our transfer agent, The Bank of New York, you can choose to receive and access future annual meeting materials electronically by going to The Bank of New York's website at www.stockbny.com. If your shares are held in brokerage accounts, please refer to the information provided by your bank, broker or nominee for instructions on how to elect to receive future annual meeting materials over the Internet.

QUESTIONS AND ANSWERS ABOUT THE ANNUAL MEETING AND VOTING

1. What is the purpose of the Annual Meeting?

At our Annual Meeting, stockholders will vote upon the matters outlined in the notice of meeting, including the election of three Class II directors, the ratification of Deloitte & Touche LLP as our independent registered public accounting firm and consideration of any other matters properly presented at the meeting. In addition, our management will report on our performance and, following the Annual Meeting, respond to questions from stockholders.

2. What is a proxy?

It is your legal designation of another person to vote the stock you own. That other person is called a proxy. If you designate someone as your proxy in a written document, that document also is called a proxy or a proxy card. Peter R. Huntsman, our President, Chief Executive Officer and a Director, and Samuel D. Scruggs, our Executive Vice President, General Counsel and Secretary, have been designated as proxies for the Annual Meeting.

3. What is a proxy statement?

It is a document that the regulations of the Securities and Exchange Commission ("SEC") require us to give you when we ask you to sign a proxy card designating Peter R. Huntsman and Samuel D. Scruggs each as proxies to vote on your behalf. The proxy statement includes information about the proposals to be considered at the Annual Meeting and other required disclosures, including information about our Board and executive officers.

4. Who may attend the Annual Meeting?

The Board set March 16, 2006 as the record date for the Annual Meeting. All stockholders of record who owned shares of common stock at the close of business March 16, 2006, or their duly appointed proxies, may attend the Annual Meeting or any adjournments or postponements thereof, as may our invited guests. Seating is limited and admission is on a first-come, first-served basis. Please note that if you hold shares in "street name" (that is, in a brokerage account or through a bank or other nominee), you will need to bring a copy of a statement reflecting your share ownership as of March 16, 2006. Any person attending will need to bring personal identification and check in at the registration desk at the Annual Meeting.

5. What is the record date and what does it mean?

The record date for the Annual Meeting is March 16, 2006. The record date is established by the Board as required by Delaware law. Owners of record of our common stock at the close of business on the record date are entitled to:

- (a) receive notice of the Annual Meeting, and
- (b) vote at the Annual Meeting and any adjournments or postponements of the Annual Meeting.

6. Who can vote?

Each stockholder who owned common stock at the close of business on March 16, 2006, the record date, is entitled to one vote for each share of common stock held on all matters to be voted on. At the close of business on the record date, there were 221,569,596 shares of our common stock outstanding.

7. What am I voting on?

You will be voting on the following two items of business at the Annual Meeting:

- The election of three Class II directors to serve until the 2009 Annual Meeting or until their successors are elected and qualified; and
- The ratification of the appointment of Deloitte & Touche LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2006.

We are not aware of any other business to be conducted at the Annual Meeting.

8. How many votes are required to hold the Annual Meeting?

The required quorum for the transaction of business at the Annual Meeting is a majority of shares of our common stock issued and outstanding on the record date. Shares that are voted "FOR," "AGAINST" or "ABSTAIN" with respect to a particular matter are treated as being present at the Annual Meeting for purposes of establishing a quorum and are also treated as shares entitled to vote at the Annual Meeting with respect to such matter.

9. What is the difference between a stockholder of record and a stockholder who holds stock in street name?

Most stockholders hold their shares through a broker, bank or other nominee rather than directly in their own name. As summarized below, there are some distinctions between shares held of record and those owned in street name.

- *Stockholder of Record.* If your shares are registered directly in your name with our transfer agent, you are considered, with respect to those shares, the stockholder of record, and these proxy materials are being sent directly to you by us. As the stockholder of record, you have the right to grant your voting proxy directly or to vote in person at the Annual Meeting. We have enclosed a proxy card for you to use.
- *Street Name.* If your shares are held in a stock brokerage account or by a bank or other nominee, you are considered the beneficial owner of shares held in "street name," and these proxy materials are being forwarded to you by your broker or nominee, which is considered, with respect to those shares, the stockholder of record. As the beneficial owner, you have the right to direct your broker how to vote and are also invited to attend the Annual Meeting. However, since you are not the stockholder of record, you may not vote these shares in person at the Annual Meeting unless you obtained a signed proxy from the record holder giving you the right to vote the shares. Your broker or nominee has enclosed or provided a voting instruction card for you to use in directing the broker or nominee how to vote your shares.

10. What different methods can I use to vote?

If you are a stockholder of record, you may vote by written proxy card or in person at the Annual Meeting. If you are a street name holder, you may direct your broker or nominee how to vote your shares; however, you may not vote in person at the Annual Meeting unless you have obtained a signed proxy from the record holder giving you the right to vote your beneficially owned shares.

In addition, if you are a street name holder, you may vote by telephone or over the Internet if your bank or broker makes those methods available, in which case the bank or broker enclosed the instructions with the proxy statement. The telephone and Internet voting procedures, including the use of control numbers, are designed to authenticate your identity, to allow you to vote your shares and to confirm that your instructions have been properly recorded.

11. What are my voting choices when voting for director nominees, and what vote is needed to elect Directors?

In the vote on the election of three Class II director nominees to serve until the 2009 Annual Meeting, you may:

- (a) vote in favor of all nominees,
- (b) withhold votes as to all nominees, or
- (c) withhold votes as to specific nominees.

The nominees receiving a plurality of the votes cast at the Annual Meeting for the election of directors will be elected as directors. Withholding votes as to a nominee will have no effect on the election of that nominee. You may not cumulate your votes in the election of directors.

The Board recommends a vote **FOR** each of the nominees.

12. What are my voting choices when voting on the ratification of the appointment of Deloitte & Touche LLP as our independent registered public accounting firm, and what vote is needed to ratify their appointment?

In the vote on the ratification of the appointment of Deloitte & Touche LLP as our independent registered public accounting firm, you may:

- (a) vote in favor of the ratification,
- (b) vote against the ratification, or
- (c) abstain from voting on the ratification.

The proposal to ratify the appointment of Deloitte & Touche LLP as our independent registered public accounting firm will require approval by holders of a majority of the shares represented in person or by proxy and entitled to vote at the Annual Meeting.

The Board recommends a vote **FOR** the ratification of the appointment of Deloitte & Touche LLP as our independent registered public accounting firm.

13. What if I don't specify a choice for a matter when returning my proxy?

You should specify your choice for each matter on the enclosed proxy. If you sign and return your proxy but do not give specific instructions, your proxy will be voted **FOR** the election of all director nominees and **FOR** the proposal to ratify the appointment of Deloitte & Touche LLP.

14. Will my shares be voted if I do not provide my proxy?

Your shares may be voted if they are held in the name of a brokerage firm, even if you do not provide the brokerage firm with voting instructions. Brokerage firms have the authority under the New York Stock Exchange ("NYSE") rules to cast votes on certain "routine" matters if they do not receive instructions from their customers. The election of directors and the ratification of the selection of independent registered public accounting firms are considered routine matters for which brokerage firms may vote shares for which they have not received voting instructions. When a proposal is not a routine matter and the brokerage firm has not received voting instructions from the beneficial owner of the shares with respect to that proposal, the brokerage firm cannot vote the shares on that proposal. This is called a "broker non-vote."

15. How are abstentions and broker non-votes counted?

Abstentions and broker non-votes are counted for purposes of determining the presence or absence of a quorum for the transaction of business. In the election of directors, which requires a plurality of votes, broker non-votes will have no effect. In the ratification of the appointment of our independent registered public accounting firm, abstentions will have the same effect as a vote against ratification, and broker non-votes will not be counted for determining the number of shares represented at the Annual Meeting for purposes of the vote on the ratification.

16. What happens if additional proposals are presented at the Annual Meeting?

Other than the election of directors and the ratification of the appointment of the independent registered public accounting firm, we do not expect any matters to be presented for a vote at the

Annual Meeting. If you grant a proxy, the persons named as proxyholders will have the discretion to vote your shares on any additional matters properly presented for a vote at the Annual Meeting. Under our Bylaws, the deadline for notifying us of any additional proposals to be presented at the Annual Meeting has passed and, accordingly, stockholders may not present proposals at the Annual Meeting.

17. May I vote confidentially?

Yes. We treat all stockholder meeting proxies, ballots and voting tabulations confidentially if the stockholder has requested confidentiality on the proxy or ballot.

If you so request, your proxy will not be available for examination nor will your vote be disclosed prior to the tabulation of the final vote at the Annual Meeting except (i) to meet applicable legal requirements or (ii) to allow the independent election inspectors to count and certify the results of the vote. The independent election inspectors may, however, at any time inform us whether or not a stockholder has voted.

18. Can I change my vote after submitting my proxy?

If you are a stockholder of record, you may revoke a previously submitted proxy at any time before the polls close at the Annual Meeting by:

- submitting another proxy card with a later date;
- giving written notice to our Corporate Secretary that you are revoking your proxy; or
- attending the Annual Meeting and voting in person.

Attending the Annual Meeting will not by itself have the effect of revoking a previously submitted proxy.

If you are a street name holder, you must follow the instructions on revoking your proxy, if any, provided by your bank or broker.

19. What does it mean if I receive more than one proxy card?

It means that you have multiple accounts with brokers and/or our transfer agent, The Bank of New York. Please vote all of these shares. We recommend that you contact your broker and/or The Bank of New York to consolidate as many accounts as possible under the same name and address. Please submit your request by mail to The Bank of New York, Shareholder Relations, P.O. Box 11258, Church St. Station, New York, NY 10286, or by telephone at 1-800-524-4458. The Bank of New York may also be reached through its website at www.stockbny.com.

20. What is "householding"?

We may send a single set of proxy materials and other stockholder communications to any household at which two or more stockholders reside. This process is called "householding." This reduces duplicate mailings and saves printing and postage costs as well as natural resources. Proxy materials and other stockholder communications to you may be househanded based on your prior express or implied consent. If your proxy materials are being househanded and you wish to receive separate copies of the proxy statement and/or annual report, or if you are receiving multiple copies and would like to receive a single copy, or if you would like to opt out of this householding practice for future mailings, please submit your request by mail to our transfer agent, The Bank of New York, Shareholder Relations, P.O. Box 11258, Church St. Station, New York, NY 10286, or by telephone at 1-800-524-4458. The Bank of New York may also be reached through its website at www.stockbny.com.

PROPOSAL NO. 1—ELECTION OF DIRECTORS

The size of our Board is currently set at ten, divided into three classes serving staggered terms, with one class being elected each year to serve a three-year term. The three Class II Board members, whose terms expire at the 2006 Annual Meeting, are Peter R. Huntsman, Wayne A. Reaud and Alvin V. Shoemaker. The Nominating and Corporate Governance Committee of our Board has approved and recommended, and our Board has unanimously nominated, each of Mr. Huntsman, Mr. Reaud and Mr. Shoemaker for re-election as Class II directors to serve until our 2009 Annual Meeting or upon a successor being elected and qualified.

A plurality of the votes cast in person or by proxy by the holders of our common stock is required to elect each director. Accordingly, under Delaware law, our Articles of Incorporation and our Bylaws, withheld votes and broker non-votes (which occur if a broker or other nominee does not have discretionary authority and has not received instructions with respect to the particular item) are not counted and have no effect on the election of directors. Unless otherwise indicated on the proxy, the persons named as proxies in the enclosed proxy will vote **FOR** each of the nominees listed below. We did not pay any third-party fees to assist in the process of identifying or evaluating candidates. Although we have no reason to believe that any of the nominees will be unable to serve if elected, should any of the nominees become unable to serve prior to the Annual Meeting, the proxies will be voted for the election of such other persons as may be nominated by the Board. Stockholders may not cumulate their votes in the election of directors.

It is our policy for directors to attend our annual meetings to provide an opportunity for stockholders to communicate directly with directors about issues affecting our company. We expect all of our directors to attend the Annual Meeting.

***THE BOARD RECOMMENDS A VOTE FOR THE ELECTION OF EACH OF
THE NOMINATED DIRECTORS***

PROPOSAL NO. 2—RATIFICATION OF THE APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee of the Board has appointed Deloitte & Touche LLP ("Deloitte & Touche") to serve as our independent registered public accounting firm and to audit our consolidated financial statements for 2006. Deloitte & Touche has served as our auditors since 1984. The Audit Committee has been advised by Deloitte & Touche that neither the firm, nor any member of the firm, has any financial interest, direct or indirect, in any capacity in us or our subsidiaries. As a matter of good corporate governance, the Audit Committee has determined to submit its selection of Deloitte & Touche to stockholders for ratification.

Ratification of the appointment of the independent registered public accounting firm requires the affirmative vote of a majority of the shares of our common stock represented in person or by proxy and entitled to vote at the Annual Meeting. Accordingly under Delaware law, our Articles of Incorporation and our Bylaws, abstentions have the same legal effect as a vote against this proposal, but a broker non-vote is not counted for purposes of determining the number of shares represented in person or by proxy and entitled to vote at the Annual Meeting.

In the event that the selection of independent registered public accounting firm is not ratified, the Audit Committee will reconsider its selection. Even if the selection is ratified, the Audit Committee in its discretion may direct the appointment of a different independent registered public accounting firm at any time if the Audit Committee believes that such a change would be in the best interest of our company and our stockholders.

One or more representatives of Deloitte & Touche are expected to attend the Annual Meeting and will be available to respond to appropriate questions and, if they desire, will have an opportunity to make a statement.

Deloitte & Touche may not perform any service enumerated in Section 201(a) of the Sarbanes-Oxley Act of 2002, except as may otherwise be provided by law or regulation. CORPORATE GOVERNANCE

Board Independence

It is important to Huntsman for investors to have confidence that the individuals serving as independent directors on our Board do not have a relationship with Huntsman that would impair their independence. Under the NYSE corporate governance rules, our Board must have a majority of independent directors. For a director to qualify as independent, our Board must affirmatively determine that the director has no material relationship with our company, either directly or as a partner, shareholder or officer of an organization that has a relationship with our company. To assist it in making independence determinations, our Board has adopted independence standards. Under these standards, a director is not independent if:

- The director is, or has been within the last three years, an employee of Huntsman Corporation or an employee of any of our subsidiaries, or an immediate family member is, or has been within the last three years, an executive officer of ours.
- The director has received, or has an immediate family member who has received, during any twelve-month period within the last three years, more than \$100,000 in direct compensation from us (other than director and committee fees and pension or other forms of deferred compensation for prior service, which compensation is not contingent upon continued service). Compensation received by an immediate family member for service as an employee (other than an executive officer) of ours is not considered for purposes of this standard.
- (i) The director or an immediate family member is a current partner of a firm that is our internal or external auditor; (ii) the director is a current employee of such a firm; (iii) the director has an immediate family member who is a current employee of such a firm and who participates in the firm's audit, assurance or tax compliance (but not tax planning) practice; or (iv) the director or an immediate family member was within the last three years (but is no longer) a partner or employee of such a firm and personally worked on our audit within that time.
- The director or an immediate family member is, or has been within the last three years, employed as an executive officer of another company where any of our present executive officers at the same time serves or served on that company's compensation committee.
- The director is a current employee, or an immediate family member is a current executive officer, of a company that has made payments to, or received payments from, us for property or services in an amount which, in any of the last three fiscal years, exceeds the greater of \$1 million, or 2% of such other company's consolidated gross revenues.
- The director is an executive officer of any charitable or non-profit organization to which we have made, within the preceding three years, contributions in any single fiscal year that exceeded the greater of \$1 million, or 2% of such charitable or non-profit organization's consolidated gross revenues.

On the basis of these standards, our Board has determined that Ms. Evans and Messrs. Archibald, Lichtenberger, Michaelson, Reaud and Shoemaker, who constitute a majority of our ten directors, are independent. The six independent directors comprise in full the membership of each standing Board committee described below.

Board Meetings

Our Board and its committees meet throughout the year on a set schedule, and also hold special meetings and act by written consent from time to time as appropriate. Our Board met five times in 2005. During 2005, the non-management directors met in executive session three times and the

independent directors met in executive session one time. During 2005, each director attended at least 75% of the aggregate of:

- the total number of meetings of the Board (held during the period for which such person has been a director); and
- the total number of meetings held by all Board committees on which such person served (during the periods that such person served).

Executive Sessions of the Board

In accordance with our corporate governance guidelines, the non-management directors meet in executive session without management at each regularly scheduled Board meeting. Mr. Jon Huntsman, our Chairman of the Board, is the presiding director at these sessions. In addition, the independent directors meet in executive session at least once annually without those non-management directors who are not independent. At the beginning of each session, the independent directors choose a lead independent director to preside at the session.

Board Committees

Our Board currently has, and appoints the members of, standing Audit, Compensation, and Nominating and Corporate Governance Committees. Each of these committees has a written charter approved by the Board. These charters are available on our website at www.huntsman.com. We will also furnish copies of our charters to any person who requests them. Requests for copies should be directed to the Corporate Secretary, 500 Huntsman Way, Salt Lake City, Utah, 84108 or to CorporateSecretary@huntsman.com.

The members of the committees are identified in the following table:

Director	Audit	Compensation	Nominating and Corporate Governance
Nolan D. Archibald		X	
Marsha J. Evans			X
H. William Lichtenberger	X		Chair
Richard Michaelson	Chair		X
Wayne A. Reaud		Chair

Audit Committee. The Audit Committee has been established to assist the Board in monitoring:

- the integrity of our financial statements;
- our independent registered public accounting firm's qualifications and independence;
- the performance of our internal audit function and independent registered public accounting firm; and
- our compliance with legal and regulatory requirements applicable to financial and disclosure matters.

The Audit Committee has sole responsibility for the appointment, retention and termination of the independent registered public accounting firm and is directly responsible for the compensation and oversight of the work of the independent registered public accounting firm. Our Board has determined that each member of the Audit Committee qualifies as independent under Rule 10A-3 promulgated under the Securities Exchange Act of 1934 (the "Exchange Act"). Our Board has also determined that Mr. Michaelson, the Chairman of the Audit Committee, qualifies as an "audit committee financial

expert" as defined by the regulations of the SEC. No member of the Audit Committee serves on more than three public company audit committees. The Audit Committee held eight meetings in 2005. The report of the Audit Committee appears under the heading "Report of the Audit Committee of the Board," below.

Compensation Committee. The Compensation Committee's function is to support the Board in fulfilling its oversight responsibilities relating to senior management and director compensation. In this regard, the Board and Compensation Committee seek to align total compensation for the Chief Executive Officer and other senior executives with the long-term interests of stockholders. The Compensation Committee also oversees our incentive and equity-based compensation plans. The Compensation Committee held three meetings in 2005. The report of the Compensation Committee appears under the heading "Report of the Compensation Committee of the Board on Executive Compensation," below.

Nominating and Corporate Governance Committee. The Nominating and Corporate Governance Committee (the "Governance Committee") is appointed by the Board to ensure that the Board governance system performs well. The duties of the Governance Committee include:

- annually reviewing and reassessing the adequacy of our corporate governance guidelines,
- monitoring director independence;
- managing the Board's annual evaluation process;
- assessing the appropriate balance of skills, characteristics and perspectives required for an effective Board;
- identifying, screening and recommending qualified director candidates;
- periodically reassessing the adequacy of the Board's size;
- overseeing succession planning for our Chief Executive Officer; and
- overseeing our corporate compliance program.

The Governance Committee held four meetings in 2005.

Director Nomination Process

The Governance Committee identifies director candidates through a variety of means, including recommendations from other Board members and management. From time to time, the Governance Committee may use third-party search consultants to identify director candidates. The Governance Committee will also consider stockholder recommendations for candidates for the Board, which should be sent to the Governance Committee, c/o Corporate Secretary, Huntsman Corporation, 500 Huntsman Way, Salt Lake City, Utah 84108 or to CorporateSecretary@huntsman.com and should include the recommended candidate's name, biographical data and qualifications.

The Governance Committee's minimum qualifications and specific qualities and skills required for directors are set forth in Section I of our Corporate Governance Guidelines, which are available on our website at www.huntsman.com. The Governance Committee screens all potential candidates in the same manner regardless of the source of the recommendation. The Governance Committee determines whether the candidate meets our minimum qualifications and specific qualities and skills for directors and whether requesting additional information or an interview is appropriate.

Stockholder Communications Policy

Stockholders and other interested parties may communicate directly and confidentially with the Board, the non-management directors, the independent directors, the presiding director or the lead

independent director by sending a letter addressed to the intended recipients, c/o Corporate Secretary, Huntsman Corporation, 500 Huntsman Way, Salt Lake City, Utah 84108 or by sending an email specifying the intended recipients to CorporateSecretary@huntsman.com. The Corporate Secretary will review such communications and, if appropriate, forward them only to the intended recipients. Communications that do not relate to the responsibilities of the intended recipients as directors of Huntsman (such as communications that are commercial or frivolous in nature) will not be forwarded. In addition, communications that appear to be unduly hostile, intimidating, threatening, illegal or similarly inappropriate will not be forwarded. A copy of our Stockholder Communications Policy is available on our website at www.huntsman.com.

Compensation Committee Interlocks and Insider Participation

None of the members of the Compensation Committee has at any time been an officer or employee of ours and none of our executive officers serves as a member of the board of directors or compensation committee of any entity that has one or more executive officers serving as a member of the Board or Compensation Committee.

Corporate Governance Guidelines

Our Board has adopted Corporate Governance Guidelines, and the Governance Committee is responsible for implementing the guidelines and making recommendations to the Board concerning corporate governance matters. The guidelines are available on our website at www.huntsman.com. We will also furnish copies of the guidelines to any person who requests them. Requests for copies should be directed to the Corporate Secretary, 500 Huntsman Way, Salt Lake City, Utah, 84108 or to CorporateSecretary@huntsman.com.

Among other matters, the guidelines include the following:

- Membership on the Board will be made of up a majority of independent directors who, at a minimum, meet the criteria for independence required by the NYSE.
- Each regularly scheduled Board meeting will include an executive session of the non-management directors.
- The independent directors will meet in executive session at least once annually.
- The Board and its committees each conduct an annual self-evaluation.
- Non-management directors are not permitted to serve as a director for more than three other public companies.
- Our Chief Executive Officer is not permitted to serve as a director for more than two other public companies.
- Directors are expected to attend all meetings of the Board and of the committees of which they are members.
- Directors are required to offer their resignation upon a change in their principal occupation.
- Directors should function consistent with the highest level of professional ethics and integrity.
- To effectively discharge their oversight duties, directors have full and free access to our officers and employees.

Financial Code of Ethics and Business Conduct Guidelines

Our Board has adopted a Financial Code of Ethics for Senior Financial Officers. This code of ethics applies to our Chief Executive Officer, Chief Financial Officer and Chief Accounting Officer or Controller. Among other matters, this code of ethics is designed to promote:

- honest and ethical conduct;
- avoidance of conflicts of interest;
- full, fair, accurate, timely and understandable disclosure in reports and documents that we file with, or submits to, the SEC and in our other public communications;
- compliance with applicable governmental laws and regulations and stock exchange rules;
- prompt internal reporting of violations of the code to an appropriate person or persons identified in the code; and
- accountability for adherence to the code.

In addition, the Board has adopted our Business Conduct Guidelines. The Board requires all directors, officers and employees to adhere to these guidelines in addressing the legal and ethical issues encountered in conducting their work. The Financial Code of Ethics and Business Conduct Guidelines are available on our website at www.huntsman.com. We will also furnish copies of the Financial Code of Ethics and Business Conduct Guidelines to any person who requests them. Requests for copies should be directed to the Corporate Secretary, 500 Huntsman Way, Salt Lake City, Utah, 84108 or to CorporateSecretary@huntsman.com.

Compensation of Directors

The Board believes that compensation for independent directors should be competitive and should fairly compensate directors for the time and skills devoted to serving us but should not be so great as to compromise independence. With the assistance of outside compensation consultants, the Compensation Committee periodically reviews our director compensation practices and compares them against the practices of a selected peer group of companies as well as against the practices of public company boards generally.

During 2005, independent directors received an annual retainer of \$125,000 and an annual fee of \$10,000 for each committee of our Board on which they served. The chairperson of the Audit Committee received an annual fee of \$25,000 and the chairpersons of the Compensation Committee and the Governance Committee each received an annual fee of \$15,000, in all cases in lieu of the \$10,000 annual committee fee. Directors who are not independent do not receive annual fees. All of our directors are reimbursed for reasonable out-of-pocket expenses incurred in attending meetings of our Board or its committees and for other reasonable expenses related to the performance of their duties as directors. In the case of Jon M. Huntsman, this includes a per diem amount of \$100 for each day that he travels on company business.

On November 2, 2005, each of our independent directors was granted a one-time award under our Stock Incentive Plan of 50,000 non-qualified stock options in recognition of the unique obligations associated with being a director of a newly public company. These options have an exercise price of \$19.25 and will vest in three equal annual installments beginning on the first anniversary of the grant date.

Effective January 1, 2006, our Board approved a new compensation structure for our independent directors, as follows:

- Each independent director receives an annual cash retainer of \$75,000 (payable in quarterly installments) and an annual restricted stock (or restricted stock-based) award with a value of \$75,000 on the grant date. The annual restricted stock (or restricted stock-based) awards vest in three equal annual installments beginning on the first anniversary of the grant date.
- Each member of the Audit Committee receives an additional annual cash retainer of \$20,000, and each member of the Compensation and the Governance committees receives an additional annual cash retainer of \$10,000.
- The chairperson of the Audit Committee receives an annual cash retainer of \$25,000, and the chairpersons of the Compensation and the Governance committees each receive annual cash retainers of \$10,000, in each case in addition to the retainers received for being members of these committees.

In connection with the new compensation structure, we adopted the Huntsman Outside Directors Elective Deferral Plan. This is an unfunded nonqualified plan established primarily for the purpose of providing our independent directors with the ability to defer the receipt of director fees. Benefits under the plan are payable in cash in a lump sum or in installments beginning 30 days after the director ceases to be a member of our Board.

The Board believes that our total director compensation package is competitive with the compensation offered by other companies and is fair and appropriate in light of the responsibilities and obligations of our independent directors.

In June 2003, we entered into a consulting agreement with Jon M. Huntsman, pursuant to which Mr. Huntsman receives \$950,000 per year. In addition, Mr. Huntsman, through payments made by us to Huntsman Financial Consulting, L.C., of which Mr. Huntsman is the sole member, received compensation from us in the amount of \$237,823 in 2005 for perquisites and other personal benefits. Please see "Certain Relationships and Related Party Transactions—Consulting Agreement with Jon M. Huntsman" and "—Other Transactions with the Huntsman Family." Mr. Huntsman also is a participant in our Cost Reduction Incentive Plan, under which he received a bonus of \$1,207,250 for 2005, and receives personal benefits under our Aircraft Use Policy. Please see "Executive Compensation—Cost Reduction Incentive Plan" and "—Aircraft Use Policy." In 2005, Mr. Matlin received compensation from us in the amount of \$25,420 for personal use of company aircraft.

Director Attendance at the Annual Meeting of Stockholders

We believe that there are benefits to having members of the Board attend our annual meetings of stockholders. In 2005, all of the then-current directors attended our annual meeting in person. From time to time, however, a member of the Board might have a compelling and legitimate reason for not attending an annual meeting. As a result, the Board has decided that director attendance at our annual meeting should be strongly encouraged, but is not required.

**REPORT OF THE COMPENSATION COMMITTEE OF THE BOARD
ON EXECUTIVE COMPENSATION**

The Compensation Committee of the Board (the "Committee") is composed of three independent directors: Wayne A. Reaud (Chairman), Nolan D. Archibald, and Alvin V. Shoemaker. The Committee operates pursuant to a charter, which is available on the Company's website at www.huntsman.com.

The Committee has responsibility for the review, evaluation and approval of executive compensation, including the compensation philosophy, policies and plans for the Company's executive officers. The Committee also conducts an annual review of the Chief Executive Officer's performance and his compensation under various circumstances, including upon retirement and upon a change in control. The Committee regularly reports to the Board regarding executive compensation matters. The Committee was formed in February 2005 at the time of the Company's initial public offering, and the current members of the Committee were appointed to the Committee in March 2005.

Philosophy

The Company's executive compensation programs are designed to attract, motivate and retain executives critical to the Company's long-term success and the creation of stockholder value. The Committee's fundamental philosophy is to closely link executive officers' compensation with the achievement of annual and long-term performance goals and that superior performance should have a corresponding impact on compensation. The Committee believes that compensation decisions are complex and best made after a careful review of Company performance and industry compensation levels. The Committee awards compensation that is based upon Company, business division and individual performance and that is designed to motivate the Company's executive officers to achieve strategic objectives and to continue to perform at the highest levels in the future.

The Company's cash compensation package for executive officers includes base salary with an annual performance-based bonus. The Committee intends to include a significant equity component in total compensation because it believes that equity-based compensation aligns the long-term interest of employees with those of stockholders. The Committee also believes that stock-based incentive grants are a means to drive long-term performance and promote ownership in the Company.

Methodology

The Company has historically utilized nationally recognized, industry reference surveys to assess the competitiveness of executive compensation. The Committee has selected and retained an independent executive compensation consultant to provide advice on executive compensation matters, both generally and within the chemical industry. The consultant assists the Committee in evaluating and developing programs and approaches to compensate the Company's executive officers competitively. The Committee also reviews executive compensation practices of the Company's key competitors and several Fortune 500 companies.

The Committee is developing a compensation program that is structured to provide executive officers with a total compensation package that, at expected levels of performance, is competitive with those provided to other executives holding comparable positions or having similar qualifications in other similarly situated organizations. Peer companies are specifically utilized by the Committee in evaluating compensation levels of all executive officers; however, the Committee also receives advice regarding compensation levels from its executive compensation consultant, who utilizes a number of other sources, including information from other companies.

Annual Compensation

Base Salary. For 2005, the Committee approved base salary increases in the range of 3.5% to 6.7% for executive officers. For 2006, the Committee intends to establish the base salary levels of the Chief Executive Officer and other executive officers after reviewing salary survey data of other industrial companies and by reference to the 50th percentile for base salary of comparable executive positions at key competitors. Base salaries of the executive officers are reviewed annually, with adjustments based on updated salary data, increases in the cost of living, job performance of the executive officer over time, the expansion of duties and responsibilities, if any, and general market salary levels. No specific weight or emphasis is placed on any one of these factors. Adjustment of an individual executive officer's actual base salary above the 50th percentile of this reference group would generally be based upon:

- Achieving or exceeding key business objectives;
- Highly developed individual skills critical to the Company;
- Demonstrating an ability to positively impact stockholder value;
- Consistently superior levels of performance; and
- Experience and level of responsibility.

Annual Incentive Compensation. Annual incentive compensation enables executive officers and other key employees of the Company to earn annual cash bonuses for meeting or exceeding the Company's financial goals as well as for individual performance. For executive officers, the Company's annual incentive compensation program provides for target opportunities generally in the range of 50% to 80% of base salary with maximum bonus potential set at 1.5 times the applicable target percentage. Individual awards reflect both group performance and individual contributions to success. For divisional participants, the annual incentive for 2005 was based on the Company's adjusted earnings before interest, taxes, depreciation and amortization (EBITDA), divisional EBITDA, and business improvement metrics. For other participants, the annual incentive compensation for 2005 was based largely on a Company EBITDA goal. During 2005, achievement against Company EBITDA and certain divisional performance objectives was negatively impacted by hurricanes Katrina and Rita. Given the unusual nature of these events, the Compensation Committee judged Company EBITDA to be at target for purposes of bonus determination. The Committee also allowed for adjustments to the divisional EBITDA objectives for the Base Chemicals, Performance Products, and Pigments divisions. In total, the 2005 annual incentive compensation measures generated bonuses for executive officers in the range of 44% to 78% of base salary. The bonuses for 2005 for the Chief Executive Officer and other named executive officers are disclosed in the "Bonus" column of the Summary Compensation Table. Please see "Executive Compensation—Summary Compensation Table," below. For 2006, bonus metrics and corresponding weightings for our executive officers other than the Chief Executive Officer are EBITDA (45%), compliance measures (20%) and individual metrics (35%). For a description of metrics applicable to our Chief Executive Officer, see "Chief Executive Officer Compensation" below.

Long-Term Compensation. In 2005 the Board approved a long-term incentive compensation plan called the Stock Incentive Plan. This plan provides a means through which certain employees of the Company, including executive officers, can develop an economic interest, through ownership in the Company's common stock, in the financial success of the Company. Concurrent with the Company's initial public offering in February 2005, the Board approved equity awards to the Chief Executive Officer and other named executive officers, which are disclosed in the "Long Term Compensation" columns of the Summary Compensation Table and in the Option/SAR Grants in Last Fiscal Year table. Please see "Executive Compensation—Summary Compensation Table" and "Executive Compensation—

Option/SAR Grants in Last Fiscal Year," below. For 2006, the Committee has approved equity awards to the Chief Executive Officer and other named executive officers as follows:

Name	Position	Stock Options (shares)	Restricted Stock (shares)	Total (shares)
Peter R. Huntsman	President and Chief Executive Officer	374,618	103,657	478,275
J. Kimo Esplin	Executive Vice President and Chief Financial Officer	93,655	25,914	119,569
Samuel D. Scruggs	Executive Vice President and General Counsel	93,655	25,914	119,569
Anthony P. Hankins	Division President, Polyurethanes	56,193	15,549	71,742
Paul G. Hulme	Division President, Advanced Materials	46,827	12,957	59,784

The number of stock options awarded was based on the Black Scholes valuation model. The number of restricted shares awarded and the exercise price of the stock options awarded were based on the fair market value of Huntsman's common stock as of the date of grant, which was \$20.50. There has been no commitment made for equivalent levels of equity grants in subsequent years. However, the Committee intends to include a significant equity component in total annual compensation because the Committee believes that equity-based compensation aligns the long-term interest of employees with those of stockholders. The Committee intends to make any future grant awards consistent with the methodology described earlier in this report.

Executive Stock Ownership Guidelines. The Board has adopted Executive Stock Ownership Guidelines, which apply to the Company's executive officers, including the Chief Executive Officer and the other named executive officers. The Guidelines require executive officers to achieve and maintain ownership levels of Huntsman stock equal to five times base salary for the Chief Executive Officer and two times base salary for other executive officers. Once established, an executive officer's required ownership level generally does not change as a result of changes in annual base salary or fluctuations in Huntsman's common stock price. Shares that count towards satisfaction of the Guidelines include:

- shares owned outright by the executive officer or his or her immediate family members residing in the same household;
- restricted stock issued as part of an executive officer's long-term compensation whether or not vested; and
- shares acquired upon option exercise that the executive officer continues to hold.

Executive officers are required to achieve their specified ownership levels within five years. Until these levels are achieved, executive officers are required to retain at least 50% of net shares delivered through Huntsman's executive compensation plans. Shares acquired by an executive officer prior to the adoption of the Executive Stock Ownership Guidelines are not subject to the retention restriction. Once achieved, the specified ownership level must be maintained for as long as the executive officer is subject to the Guidelines. Exclusions for estate planning, gifts to charity, education and primary residence apply to the retention requirement. However, exclusions do not affect the requirement that executive officers achieve their specified ownership levels within the five-year period. In addition, hardship exemptions may be available in rare instances. A copy of the Executive Stock Ownership Guidelines is available on our website at www.huntsman.com.

Cost Reduction Incentive Plan

In connection with the Company's efforts to reduce fixed costs, the Board has adopted the Huntsman Cost Reduction Incentive Plan. This plan functions as a temporary compensation device and is used to encourage key employees to reduce fixed costs by providing incentive pay based upon the reduction in fixed costs for 2005 and 2006 relative to fixed costs for 2002. There are approximately 61 current participants in the plan, including the Chairman of the Board and all the executive officers. Please see "Executive Compensation—Cost Reduction Incentive Plan," below.

Aircraft Use Policy

Company policy permits the Chief Executive Officer to use Company aircraft for personal travel. The aggregate incremental cost to the Company of such personal travel and related tax gross-ups in fiscal 2005, which was \$13,107, is disclosed in the "Other Annual Compensation" column of the Summary Compensation Table. Please see "Executive Compensation—Summary Compensation Table," below. In August 2005, the Board adopted a new aircraft policy, under which the Chief Executive Officer and the Chairman of the Board may receive personal benefits. Please see "Executive Compensation—Aircraft Use Policy," below.

Other Compensation

The Committee has also reviewed the participation of executive officers in the Company's retirement and savings plans. Executive officers participate in the Company's qualified retirement and savings plans (defined benefit and defined contribution) and health and welfare programs on the same relative basis as other employees. Please see "Executive Compensation—Retirement Plans" for information on supplemental retirement arrangements for the named executive officers. The Company also provides its executive officers with the use of a car for personal transportation purposes.

Chief Executive Officer Compensation

For 2005, Mr. Huntsman's base salary was increased by 3.5% to \$1,413,600. His award under the annual incentive compensation program was \$1,100,000 and his Cost Reduction Incentive Plan award was \$1,646,250. When viewed in combination, his 2005 base salary plus actual annual incentive compensation is within range of the 50th percentile for peer level positions in the market. For 2006, Mr. Huntsman's bonus eligibility is targeted at 80% of his base salary up to a maximum of 120% of his base salary. Mr. Huntsman's bonus metrics and weightings are Company EBITDA (60%) and compliance, debt reduction, and Board performance evaluation (40%).

Annual Review of Aggregate Compensation

The Committee has reviewed all components of compensation for the Company's Chief Executive Officer and other executive officers. This includes base salary, annual incentive compensation, the dollar value to the executive officer and cost to the Company of all perquisites and other personal benefits, projected payout obligations under the Company's supplemental retirement plans and under several potential severance and change-in-control scenarios. A tally sheet setting forth all the above components has been reviewed by the Committee.

Deductibility of Executive Compensation

Section 162(m) of the Internal Revenue Code prevents publicly traded companies from receiving a tax deduction on certain compensation paid to specific executive officers in excess of \$1,000,000 in any taxable year. The Committee's approach with respect to qualifying compensation paid to executive officers for tax deductibility purposes is that executive compensation plans will generally be designed considering a number of factors, including tax deductibility. However, non-deductible compensation

may still be paid to executive officers when necessary for competitive reasons, to attract or retain a key executive, to enable the company to retain flexibility in maximizing its pay for performance philosophy, or where achieving maximum tax deductibility would not be in the best interest of the Company.

Conclusion

Attracting and retaining talented and motivated management and employees is essential to creating long-term stockholder value. Offering a comprehensive and competitive, performance-based compensation program helps to achieve this objective by aligning the interests of executive officers and other key employees with those of stockholders.

Based on its review, the Committee found the Chief Executive Officer's and other executive officers' total compensation (and, in the case of the severance and change-in-control scenarios, the potential payouts) in the aggregate to be reasonable and not excessive.

- (2) The exercise price of the options was based upon the fair market value of our common stock on the date of grant.
- (3) Calculated based upon the indicated rates of appreciation, compounded annually, from the date of grant to the end of each option term. Actual gains, if any, on stock option exercises and common stock holdings are dependent on the future performance of the common stock. There can be no assurance that the amounts reflected in this table will be achieved. The calculation does not take into account the effects, if any, of provisions of the option plan governing termination of options upon employment termination, transferability or vesting.

Cost Reduction Incentive Plan

In connection with our Project Coronado cost reduction program, we have adopted the Huntsman Cost Reduction Incentive Plan. The purpose of the plan is to encourage key employees to reduce fixed costs by providing incentive pay based upon the reduction in fixed costs for 2005 and 2006 relative to fixed costs for 2002. Fixed costs are calculated in accordance with the plan, on a constant currency basis. There are approximately 61 current participants in the plan, including our Chairman of the Board and all of our executive officers. Plan participants earned a bonus for 2005 because our annualized fixed costs as measured at the end of the second half of 2005 were at least \$150 million less than our fixed costs for 2002. Plan participants will earn a bonus for 2006 if our annualized fixed costs as measured at the end of the first half of 2006 are at least \$150 million less than our fixed costs for 2002. The aggregate bonus pool amount for 2005 was approximately \$21.5 million. The aggregate bonus pool amount for 2006 will be between 5% and 10% of the fixed cost reduction for the 2006 period, depending on the amount of the reduction. No bonus will be earned for 2006 if the amount of the

fixed cost reduction for the 2006 period is less than \$150 million. In general, in order to receive a bonus for 2006, a participant must be employed at the end of 2006 or either have been terminated by us other than for reasonable cause or have voluntarily terminated for good reason. Bonuses for 2005 have been paid. Bonuses for 2006 will be payable no later than January 7, 2007. However, we have the right to defer payments under certain circumstances. Bonuses will be payable in lump-sum cash payments, subject to our right to pay all or part of a bonus in shares of our common stock.

Aircraft Use Policy

In August 2005, the Board adopted an Aircraft Use Policy. Under the Policy, the Chairman of the Board, Chief Executive Officer, any Executive Vice President and any Division President may have personal use of company aircraft to the extent that such person pays for the costs of such use pursuant to an aircraft time sharing agreement. Notwithstanding the foregoing, the Committee may permit the Chairman of the Board and the Chief Executive Officer to have personal use of company aircraft without cost; provided that the Committee may limit such use in any given calendar year to a specified dollar amount. For 2005, such use by the Chairman of the Board was limited to \$250,000 and such use by the Chief Executive Officer was unlimited. We will make gross-up payments to the Chairman of the Board and the Chief Executive Officer in amounts equal to the out-of-pocket tax obligations resulting from their personal use of company aircraft without cost. In addition, if income is required to be imputed to any person for use of the corporate aircraft in a situation where such use has a business purpose under the Policy, we will make gross-up payments to such person in amounts equal to the out-of-pocket tax obligations resulting from such use.

Retirement Plans

U.S. Retirement Plans

In the U.S. we sponsor the Huntsman Defined Benefit Pension Plan (the "Huntsman Pension Plan"), a tax-qualified defined benefit pension plan, and a non-qualified supplemental pension plan (the "Huntsman SERP"). Effective July 1, 2004, the formula used to calculate future benefits under the Huntsman Pension Plan and the Huntsman SERP was changed to a cash balance formula. The benefits accrued under the plans as of June 30, 2004 were used to calculate opening cash balance accounts. We also sponsor the Huntsman Salary Deferral Plan, a broad-based 401(k) plan, the Huntsman Money Purchase Plan and the Huntsman Supplemental Savings Plan.

Huntsman Pension Plan. Of our named executive officers, Messrs. Peter Huntsman, Esplin and Scruggs were participants in the Huntsman Pension Plan in 2005. The Huntsman Pension Plan expresses benefits as a hypothetical cash balance account established in each participant's name. A participant's account receives two forms of credits: "pay credits" and "interest credits." Pay credits equal a percentage of a participant's compensation and are credited to a participant's account on an annual basis. "Compensation" for this purpose includes both salary and bonus as described in the Summary Compensation Table, but subject to the compensation limit applicable to tax-qualified plans (\$210,000 for 2005). The applicable pay credit percentage ranges between 4% and 12% depending on the participant's combined age and years of service as of the start of each plan year. "Interest credits" for a plan year are based on the 30-year U.S. Treasury yield for November of the prior year. The minimum annual interest credit rate is 5.0%. In addition, plan participants who met certain age and service requirements on July 1, 2004 are entitled to receive "transition credits." Transition credits are payable for up to five years and equal a percentage of a participant's compensation. The applicable transition credit percentage is from 1% to 8% depending on the participant's combined age and years of service as of July 1, 2004.

At termination of employment after having completed at least five years of service, a participant will receive the amount then credited to the participant's cash balance account in an actuarially

equivalent joint and survivor annuity (if married) or single life annuity (if not married). Participants may also choose from other optional forms of benefit, including a lump-sum payment in the amount of the cash balance account. The Huntsman Pension Plan also includes a minimum benefit that guarantees that a participant's benefit will not be less than the benefit accrued under the prior formula at transition (July 1, 2004) plus the benefit attributable to pay credits, with interest credits, beginning July 1, 2004.

Huntsman SERP. The Huntsman SERP provides benefits for designated executive officers based on certain compensation amounts not included in the calculation of benefits payable under the Huntsman Pension Plan. Of our named executive officers, Messrs. Peter Huntsman, Esplin, and Scruggs were participants in the Huntsman SERP in 2005. The compensation amounts taken into account for these named executive officers under the Huntsman SERP include compensation in excess of the qualified plan limitations. The Huntsman SERP benefit is calculated as the difference between (1) the benefit determined using the Huntsman Pension Plan formula with unlimited base salary plus bonus, and (2) the benefit determined using base salary plus bonus as limited by federal regulations. Upon a change in control (as defined in the Huntsman SERP), participants will receive the present value of the benefits payable to them under the Huntsman SERP.

The number of completed years of credited service as of December 31, 2005 for Messrs. Peter Huntsman, Esplin and Scruggs under the Huntsman Pension Plan and Huntsman SERP were 22 years, 11 years and 10 years, respectively. At December 31, 2005, these named executive officers were 42, 43 and 46 years of age, respectively.

Estimated Annual Benefits. The following table provides the estimated projected annual benefits from the Huntsman Pension Plan and the Huntsman SERP, payable as a lifetime annuity, commencing at normal retirement age (age 65) for Messrs. Peter Huntsman, Esplin and Scruggs. These projections are based on continued employment to age 65 and a 5.00% interest credit rate (the rate in effect for 2005).

Name	Year of 65th Birthday	Estimated Annual Benefit
Peter R. Huntsman	2028	\$ 1,630,000
J. Kimo Esplin	2027	400,000
Samuel D. Scruggs	2024	295,000

The Huntsman SERP also provides nonqualified benefits for the amounts not available under the Huntsman Money Purchase Pension Plan (a qualified money purchase pension plan in which Messrs. Peter Huntsman, Esplin and Scruggs participate) because of limits under federal law on compensation that can be counted and amounts that can be allocated to accounts within the Huntsman Money Purchase Pension Plan. The amount of benefits accrued under the Huntsman SERP relating to the Huntsman Money Purchase Pension Plan for these named executive officers is included in the Summary Compensation Table in the "All Other Compensation" column.

Huntsman Supplemental Savings Plan. The Huntsman Supplemental Savings Plan allows designated executive officers to defer up to 75% of eligible salary and up to 75% of bonus. The Huntsman Supplemental Savings Plan also provides benefits for participants in the form of company matching contributions based on certain compensation amounts not included in the calculation of benefits payable under the Huntsman Salary Deferral Plan because of limits under federal law on compensation that can be counted and amounts that can be allocated to accounts within the Huntsman Salary Deferral Plan. The amount of benefits accrued under the Huntsman Supplemental Savings Plan for the named executive officers is included in the Summary Compensation Table in the "All Other Compensation" column.

Huntsman Belgium Pension Fund

Mr. Hulme participates in the Huntsman Pension Fund OVV in Belgium (the "Huntsman Belgium Pension Fund"). The following table shows the estimated annual benefit payable under the Huntsman Belgium Pension Fund on reaching age 60 in specified final pensionable earnings and years-of-benefit service classifications.

Participants in the Huntsman Belgium Pension Fund may elect a lump sum benefit equal to 8.57% of final pensionable compensation up to the Belgian Social Security earnings ceiling, plus 18.21% of pensionable compensation above the ceiling, times years of service. Final pensionable compensation is 12 times the monthly base salary for the final year of employment. Covered compensation for Mr. Hulme under the plan is reflected in the "Salary" column of the Summary Compensation Table. As of December 31, 2005, Mr. Hulme had approximately 17 years of service in Belgium and was 49 years of age. The benefit amounts for the Huntsman Belgium Pension Fund shown in the table do not include Belgian Social Security benefits, which are payable in addition to such benefit amounts.

The Huntsman Pension Scheme provides standard benefits equal to 2.2% (1/45th) of final pensionable compensation up to \$19,336 (£11,250), plus 1.83% of final pensionable compensation above \$19,336 (£11,250), minus 1/50th of the current State pension benefit, times actual years of service; subject to a maximum limit of 2/3rd of final pensionable compensation times actual years of service, divided by total possible service to retirement. Final pensionable compensation is gross salary received during the 12 months prior to retirement less any profit sharing payments. These benefits include U.K. social security benefits. As of December 31, 2005, Mr. Hulme had approximately 6 years of service in the U.K. Mr. Hankins had approximately 26 years of service as of December 31, 2005. Since Mr. Hankins is a "Section 4" member of the scheme with at least 20 years of service, he will be entitled to a pension equal to two-thirds of his final pensionable compensation.

International Pension Plan

Mr. Hulme also participates in the International Pension Plan (the "IPP"), which is a nonregistered plan designed to protect the pension benefits of employees whose service involves participation in pension plans in more than one country. Through the IPP, Mr. Hulme at retirement can elect to receive a total pension benefit (which includes retirement benefits being provided by the Huntsman Belgium Pension Fund and the Huntsman Pension Scheme) that is the greater of (1) the benefit under the Huntsman Pension Scheme (with slight modifications if he has less than 10 years of actual U.K. service) based upon his combined service in Belgium and the U.K. and his U.K. notional salary, or (2) the benefit under the Huntsman Belgium Pension Fund based upon his combined service in Belgium and the U.K. Currently, the benefit under the IPP using the Huntsman Pension Scheme is the most beneficial for Mr. Hulme, who had 22 years of total service as of December 31, 2005.

Estimated Annual Benefits. The following table provides the estimated projected annual benefits from the Huntsman Pension Scheme, payable as a lifetime annuity, commencing at normal retirement

age for Messrs. Hankins and Hulme. These projections are based on continued employment to normal retirement age.

Stock Incentive Plan

The Huntsman Stock Incentive Plan (the "Stock Incentive Plan") permits the grant of non-qualified stock options, incentive stock options, stock appreciation rights, restricted stock, phantom stock, performance awards and other stock-based awards ("Awards") to our employees, directors and consultants and to employees and consultants of our subsidiaries, provided that incentive stock options may be granted solely to employees. A maximum of 21,590,909 shares of common stock may be delivered pursuant to Awards under the Stock Incentive Plan. The number of shares deliverable pursuant to the Awards under the Stock Incentive Plan is subject to adjustment on account of mergers, consolidations, reorganizations, stock splits, stock dividends and other dilutive or enlarging changes in our common stock. Shares of common stock used to pay exercise prices and to satisfy tax withholding obligations with respect to Awards as well as shares covered by Awards that expire, terminate or lapse will again be available for Awards under the Stock Incentive Plan. In the event of a change of control of our Company, the Compensation Committee may provide for:

- assumption by the successor company of the Award, or the substitution therefor of similar options, rights or awards with respect to the stock of the successor company;
- acceleration of the vesting of all or any portion of an Award;
- changing the period of time during which vested Awards may be exercised (for example, but not by way of limitation, by requiring that unexercised, vested Awards terminate upon consummation of the change of control);
- payment of substantially equivalent value in exchange for the cancellation of an Award; and/or
- issuance of substitute awards of substantially equivalent value.

On March 1, 2006, we granted awards under the Stock Incentive Plan covering an aggregate of 2,142,686 shares of common stock.

Executive Severance Plan

Under the Huntsman Executive Severance Plan (the "Severance Plan"), if we terminate a participant's employment without reasonable cause, or the participant terminates employment for good reason, we will provide the participant with severance benefits in the form of a cash payment, medical coverage, and outplacement services. "Participants" in the Severance Plan include such employees as may be designated as participants by the Compensation Committee, provided that, unless the Compensation Committee provides otherwise with respect to a particular employee, officers with a title of Vice President or higher will be participants. Under the Severance Plan, termination for "reasonable cause" means termination on account of gross negligence, fraud, dishonesty, willful violation of any law or material violation of any significant company policy, or on account of failure to substantially perform (whether as a result of a medically determinable disability or otherwise) the duties reasonably assigned or appropriate to the position, consistent with prior practice. Termination for "good reason" means a voluntary termination of employment by a participant as a result of our making a significant detrimental reduction or change to the job responsibilities or in the current base compensation of the participant, which action is not remedied within ten days of written notice to us.

The amount of the cash payment will be: (a) for a participant with a title of Senior Vice President or higher, an amount equal to two times the participant's base compensation at termination; and (b) for a participant with a title of Vice President or below, an amount equal to one and one-half times the participant's base compensation at termination. Medical coverage will continue for the participant and his or her dependents for the period of time determined by dividing the cash payment received by the participant by the participant's base compensation at termination. Outplacement services will be provided: (y) for a period of 12 months following termination, for participants with a title of Senior Vice President or higher; and (z) for a period of six months following termination, for participants with a title of Vice President or below.

Mr. Hulme is party to an employment agreement with our subsidiary Huntsman Advanced Materials (Europe) BVBA, which is subject to annual renewal. CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Aircraft Sublease and Time-Sharing Agreements

Pursuant to an agreement entered into in 2001, our subsidiary Airstar Corporation ("Airstar") subleases a Gulfstream IV-SP Aircraft (the "Aircraft") from Jstar Corporation ("Jstar"), a corporation wholly owned by Jon M. Huntsman. Monthly sublease payments from Airstar to Jstar are in the amount of approximately \$195,000. These monthly sublease payments are used to fund financing costs paid by Jstar to a leasing company. An unrelated third party pays \$2 million per year to our subsidiary for such third-party's part-time use of the Aircraft (or an alternate owned by us if the Aircraft is unavailable), subject to an annual adjustment, which we believe to be at least fair market value for the number of flight hours used by such third party. We bear all other costs of operating the Aircraft. In accordance with our Aircraft Use Policy, we have entered into aircraft time-sharing agreements with certain members of the Huntsman family, pursuant to which these persons pay for the costs of their personal use of company aircraft.

Subordinated Loan

On July 2, 2001, we borrowed \$25.0 million from Horizon Ventures LLC, an entity controlled by Jon M. Huntsman, and executed a note payable in the same amount. Interest was not paid in cash, but was accrued at a designated rate of 15% per year, compounded annually. As of December 31, 2004 and December 31, 2003, accrued interest added to the principal balance was \$15.9 million and \$10.5 million, respectively. On February 16, 2005, we used \$41.6 million of net proceeds from our initial public offering to redeem in full the subordinated note due Horizon Ventures LLC.

Consulting Agreement with Jon M. Huntsman

We entered into an agreement with Jon M. Huntsman on June 3, 2003, pursuant to which Mr. Huntsman provides consulting services to us at our request. Mr. Huntsman, who is the Chairman of the Board of our company but is not our employee, provides advice and other business consulting services at our request regarding our products, customers, commercial and development strategies, financial affairs, and administrative matters based upon his experience and knowledge of our business, the industry, and the markets within which we compete. Mr. Huntsman's services are utilized both with respect to the conduct of our business in the ordinary course and with respect to strategic development and specific projects. Under the terms of the agreement, which renews automatically for successive one-year terms and which may be terminated by either party at any time, Mr. Huntsman receives \$950,000 annually in exchange for his services. For information regarding other compensation arrangements between Mr. Huntsman and us, please see "—Other Transactions with the Huntsman Family," below, and "Executive Compensation—Cost Reduction Incentive Plan" and "—Aircraft Use Policy," above.

Salt Lake City Office Building

We have agreed with the Jon and Karen Huntsman Foundation, a private charitable foundation established by Jon M. and Karen H. Huntsman to further the charitable interests of the Huntsman family, that we will donate our Salt Lake City office building and our option to acquire an adjacent undeveloped parcel of land to the foundation free of debt. We have agreed to complete this donation on the earlier of November 30, 2009 or the date on which we occupy less than 20% of the two main floors of the Salt Lake City office building. Under certain circumstances, after we make this donation we will have the right, but not the obligation, to lease space in the Salt Lake City office building from the foundation. As of December 31, 2005, our Salt Lake City office building had a net book value of approximately \$10.6 million.

The shares received by the remaining persons are disclosed under the heading "Security Ownership of Certain Beneficial Owners and Management," above.

The Reorganization Transaction

We consummated a reorganization transaction (the "Reorganization Transaction") in connection with the completion of our initial public offering. In the Reorganization Transaction, Huntsman Holdings, LLC became our wholly owned subsidiary, and the existing beneficial holders of the common and preferred membership interests in Huntsman Holdings, LLC, including the mandatorily redeemable preferred interests, received shares of our common stock in exchange for their interests. Huntsman Family Holdings and MatlinPatterson caused all of the shares of our common stock they were entitled to receive in exchange for their beneficial interests in Huntsman Holdings, LLC to be delivered to HMP Equity Trust. HMP Equity Trust holds approximately 58.7% of our outstanding common stock. Huntsman Family Holdings is controlled by Jon M. Huntsman, and MatlinPatterson is controlled by David J. Matlin, each of whom is a director of our company.

Registration Rights Agreements

In connection with the Reorganization Transaction, we entered into a registration rights agreement with Huntsman Family Holdings and MatlinPatterson pursuant to which they have demand and piggyback registration rights for the shares of our common stock controlled by them. The agreement also provides that we will pay the costs and expenses, other than underwriting discounts and commissions, related to the registration and sale of shares of our common stock that are registered pursuant to the agreement. The agreement contains customary registration procedures and indemnification and contribution provisions for the benefit of Huntsman Family Holdings, MatlinPatterson and us. In addition, all of our stockholders who received shares of our common stock in the Reorganization Transaction, including certain of our directors, executive officers and other key officers, have the right to include their shares in certain registrations. Our Chairman, Jon M. Huntsman, and our Chief Executive Officer and director, Peter R. Huntsman, are affiliates of Huntsman Family Holdings, and our directors David J. Matlin and Christopher R. Pechock are affiliates of MatlinPatterson. In addition, our executive officers J. Kimo Esplin, L. Russell Healy and Samuel D. Scruggs, are parties to the registration rights agreement. David S. In March 2005, Messrs. Lichtenberger and Shoemaker were appointed to the Committee, replacing Messrs. Matlin and Pechock. All of the current members of the Committee meet the independence requirements of Rule 10A-3 of the Exchange Act and applicable NYSE independence rules.

The members of the Committee reviewed and discussed with Huntsman's management and Deloitte & Touche LLP the audited financial statements contained in Huntsman's Annual Report on Form 10-K for the year ended December 31, 2005 and also discussed with Deloitte & Touche LLP the matters required to be discussed by Statement on Auditing Standards No. 61 (Communications with Audit Committees), as amended. The members of the Committee received from Deloitte & Touche LLP the written disclosures required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees) and discussed with Deloitte & Touche LLP its independence.

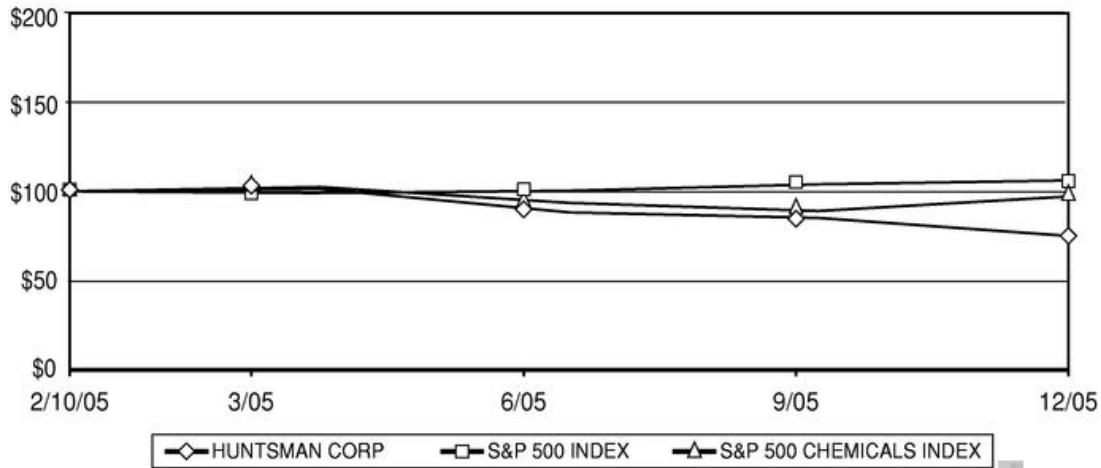

Based on their review of our audited consolidated financial statements, and on their discussion with our management and with Deloitte & Touche LLP, the members of the Committee recommended to the Board that the audited consolidated financial statements be included in our Annual Report on Form 10-K for the year ended December 31, 2005.

PERFORMANCE GRAPH

The following stock performance graph compares the performance of our common stock to the S&P 500 Index and the S&P 500 Chemicals Index since our initial public offering on February 10, 2005. The graph assumes that the value of the investment in our common stock, the S&P 500 Index and the S&P 500 Chemicals Index was \$100 on February 10, 2005 and that all dividends were reinvested. Performance data for Huntsman, the S&P 500 index and the S&P 500 Chemicals Index is provided as of the last trading day of each fiscal quarter through December 31, 2005.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires our directors and executive officers, among others, to file with the SEC and the NYSE an initial report of ownership of our common stock on Form 3 and reports of changes in ownership on Form 4 or Form 5. Persons subject to Section 16 are required by SEC regulations to furnish us with copies of all Section 16 forms that they file related to Huntsman stock transactions. Under SEC rules, certain forms of indirect ownership and ownership of our common stock by certain family members are covered by these reporting requirements. As a matter of practice, our administrative staff assists our directors and executive officers in preparing initial ownership reports and reporting ownership changes and typically files these reports on their behalf.

Based on a review of the copies of forms filed in 2005, we believe that during 2005, except as previously disclosed, all of our executive officers and directors filed the required reports on a timely basis under Section 16(a), with the exception of Mr. Michaelson, on whose behalf a Form 4 reporting a grant of 50,000 non-qualified stock options under our stock incentive plan was filed one day late, and Mr. Shoemaker, on whose behalf a Form 4 reporting a purchase of 2,000 shares of our common stock was filed three days late.
