The Purchaser shall make available to the

Sellers all of its books and records relating to the Business and otherwise cooperate with the Sellers to facilitate timely preparation of and resolution of any disputes relating to such schedule. The Purchaser shall have 30 days following receipt of the Sellers’ determination of the Closing Date Net Working Capital during which to review the Sellers’ determination of the Closing Date Net Working Capital, together with work papers of the Sellers used in the preparation thereof (which the Sellers shall provide to the Purchaser promptly upon the Purchaser’s request), and to notify the Sellers in writing of any dispute of any item contained in the Closing Date Net Working Capital, which notice shall set forth in reasonable detail the basis for such dispute. The Purchaser and the Sellers shall cooperate in good faith to resolve any such dispute as promptly as possible. In the event the Purchaser and the Sellers are unable to resolve any disputed item within 60 days following delivery by the Sellers of the schedule described above, such unresolved disputed items shall be submitted to, and all issues having a bearing on such dispute shall be resolved by, (i) the Houston, Texas office of Deloitte or (ii) in the event such firm is unable or unwilling to take such assignment, a firm having appropriate accounting expertise as selected by the mutual agreement of the Purchaser and the Sellers (such identified accounting firm or, if applicable, the firm so selected, the “Accounting Arbitrator”). The Parties shall cooperate with the Accounting Arbitrator and shall provide the Accounting Arbitrator access to such books and records as may be reasonably necessary to permit a determination by the Accounting Arbitrator. The Accounting Arbitrator shall make its determination on a basis consistent with Schedule 1.1-C. The resolution by the Accounting Arbitrator shall be final and binding on the Parties. The Accounting Arbitrator shall use commercially reasonable efforts to complete its work within 30 days following its engagement. The expenses of the Accounting Arbitrator shall be shared equally by the Purchaser and the Sellers.

(b) (i) “Final Net Working Capital” shall mean:

(A) if the Purchaser fails to notify the Sellers within the applicable 30-day period of any dispute of any item contained in the Closing Date Net Working Capital or if the Purchaser indicates that it agrees with the Closing Date Net Working Capital, the Closing Date Net Working Capital;

(B) if the Purchaser notifies the Sellers within the applicable 30-day period of any dispute of any item contained in the Closing Date Net Working Capital, the Net Working Capital as of the Closing Date as mutually agreed by the Sellers and the Purchaser; or

the difference between the Final Net Working Capital and the Upper Working Capital Threshold. If Final Net Working Capital is less than the Lower Working Capital Threshold, a “Final Working Capital Deficit” shall exist in the amount of the difference between the Lower Working Capital and the Final Net Working Capital Threshold.

(iii) The “Final As Adjusted Amount” shall equal:

- (A) the Preliminary As Adjusted Amount plus the Final Working Capital Surplus, if any; or;
- (B) the Preliminary As Adjusted Amount minus the Final Working Capital Deficit, if any; or
- (C) if neither a Final Working Capital Surplus nor a Final Working Capital Deficit exists, the Final As Adjusted Amount will equal the Preliminary As Adjusted Amount.

The Parties shall agree to an allocation of the Purchase Price to the Assets and Assumed Liabilities for federal and state income tax purposes (the “Allocation Statement”). Not later than 30 days prior to the filing of their respective Forms 8594 relating to this transaction, each Party shall deliver to the other Party a copy of its Form 8594.

Section 3.5 Allocation of Certain Items. With respect to certain expenses incurred with respect to the Assets in the operation of the Business, the following allocations shall be made between the Sellers and the Purchaser:

(c) Workers’ Compensation. Pursuant to the provisions hereof, the Sellers shall be responsible for and pay any and all workers’ compensation claims asserted by, or with respect to, any employee or former employee of either Seller in respect of any injury or occupational illness or disease to the extent compensable under the Sellers’ workers’

compensation insurance. The Purchaser is responsible for and shall pay any and all workers’ compensation claims asserted by, or with respect to, any employee hired by the Purchaser in respect of any injury or occupational illness or disease to the extent compensable under the Purchaser’s workers’ compensation insurance.

Appropriate cash payments by the Purchaser or the Sellers, as the case may require, shall be made hereunder at the Closing, if the amounts necessary to give effect to the allocations provided for in this Section 3.5 or other shared expenses or costs pursuant to Sections 6.12 or 6.17 are known at the time of the Closing, or from time to time thereafter as soon as practicable after the facts giving rise to the obligation for such payments are known in the amounts necessary to give effect to the allocations provided for in this Section 3.5 (but in no event later than ten days after written request); *provided, however*, that such payments shall not be required to the extent an accrued expense or prepaid expense has been adequately reflected with respect to such item in the determination of the Final Net Working Capital.

Section 4.10 Legal Proceedings. Except as set forth on Schedule 4.10, there is no suit, action, claim, arbitration, proceeding or investigation pending or, to the Sellers' Knowledge, threatened against, relating to or involving the Sellers, or their Affiliates with respect to the Business or the Assets before any Governmental Entity. Additionally, either Party may terminate such transportation agreement by giving two years notice, which notice may be given at any time on or after June 30, 2014. At the time

of termination of the transportation agreement, the Sellers shall convey to the Purchaser or its nominee, directly or indirectly, without warranty the remaining rights they may have in the Easement Facilities and, to the extent related to such Easement Facilities, the Existing Easements. With respect to any such Assumed Contract or License as to which the necessary approval or consent for the assignment or transfer to the Purchaser is obtained following the Closing, the Sellers shall transfer such Assumed Contract or License to the Purchaser by execution and delivery of an instrument of conveyance reasonably satisfactory to the Purchaser and the Sellers within ten days following receipt of such approval or consent.

(b) To the extent that the Licenses (including any Environmental Permits and any pending applications for any Licenses or Environmental Permits) necessary for the Purchaser's operation of the Business as conducted as of the Closing Date have not been transferred to the Purchaser or otherwise obtained by the Purchaser as of the Closing, the Sellers shall allow, to the extent authorized by the terms of such Licenses (including any Environmental Permits and any pending applications for any Licenses or Environmental

Permits) and all Environmental Laws and other applicable Laws, the Purchaser to conduct the Business pursuant to the Sellers' existing Licenses (including any Environmental Permits and any pending applications for any Licenses or Environmental Permits). Regarding each such License (including any Environmental Permit and any pending application for any License or Environmental Permit), the Sellers shall allow such use until the Purchaser obtains an equivalent License; *provided, however*, the Purchaser shall use commercially reasonable efforts to expeditiously obtain such equivalent License.

Section 6.8 Public Announcements. The Parties will consult with each other prior to any publication or press release of any nature with respect to this Agreement or the transactions contemplated hereby and shall not make or issue, or cause to be made or issued, any such publication or press release prior to such consultation and without the prior written consent of the other Parties hereto (which consent will not be unreasonably withheld or delayed) except to the extent, but only to such extent, that, in the opinion of the Party issuing such publication or press release, such announcement or statement may be required by Law, any order or regulation of a court or tribunal or Governmental Entity, any listing agreement with any securities exchange or any securities exchange regulation, in which case the Party proposing to issue such publication or press release shall make commercially reasonable efforts to (a) consult in good faith with the other Parties before issuing any such publication or press release and (b) provide a copy thereof to the other Parties prior to such issuance.

Section 6.9 Sellers' Disclosure Schedules.

(a) From time to time up to the Closing, the Sellers shall promptly supplement or amend the Schedules that they have delivered with respect to any matter first existing or occurring following the date hereof that comes to the Sellers' Knowledge or of which the Purchaser notifies the Sellers in writing and that (i) if existing or occurring at or prior to the date hereof, would have been required to be set forth or described in the Schedules, or (ii) is necessary to correct any information in the Schedules that has been rendered inaccurate thereby. Within five Business Days from receipt of notice of such supplement or amendment, the Purchaser shall notify the Sellers whether the Purchaser intends to pursue any or all of the remedies that may be available to the Purchaser for breach of the representation or warranty that relates to the Schedule that has been supplemented or amended. If the Purchaser notifies the Sellers that it intends to pursue any or all remedies that may be available to the Purchaser in accordance with the preceding sentence, such supplement or amendment shall have no effect for the purpose of determining satisfaction of the conditions set forth in Section 7.2 or the obligations of the Sellers under Section 10.1, and if the Purchaser does not notify the Sellers that it intends to pursue any or all of the remedies that may be available to the Purchaser in accordance with the preceding sentence, (i) the Purchaser shall be deemed to waive any and all such remedies arising from a breach of the relevant representation or warranty to the extent relating to such supplement or amendment, (ii) the relevant Schedule shall be deemed updated as supplemented or amended and (iii) the Schedule, as supplemented or amended, shall be used in determining whether the conditions set forth in Section 7.2 have been satisfied and whether the Sellers have any obligations under Section 10.1.

(b) The disclosure of any liability or obligation in the Schedules shall not create an Assumed Liability except to the extent that the disclosure of such liability or obligation has been expressly assumed by the Purchaser as an Assumed Liability as

provided in Section 2.3 of this Agreement.

(c) Any information, item or other disclosure set forth in any Schedule shall be deemed to have been set forth in any other Schedule, if the relevance of such disclosure to such other portion is readily apparent from the facts specified in such disclosure.

Section 6.10 Employees.

(a) Transferred Employees. Contingent upon the full cooperation and compliance in the execution and delivery of all forms and authorizations that are part of the Purchaser's hiring process, the Purchaser will offer employment to each Business Employee, except as provided in Sections 6.10(a)(i) and (ii). Business Employees who accept such offers are, as of the Closing Date, referred to herein as the "Transferred Employees." The Purchaser shall provide each Transferred Employee with wages and/or salaries and benefits that are reasonably comparable in the aggregate to those provided to such employees by the Sellers.

For purposes of vacation, the Purchaser shall credit each Transferred Employee with his or her past service with the Sellers as credited under the vacation programs of the Sellers immediately prior to the Closing Date.

(i) The Purchaser shall not be required to offer employment to Business Employees who are receiving long-term disability benefits pursuant to a Seller Benefit Plan from either Seller or any of their Affiliates as of the date hereof.

(ii) The Purchaser shall not be required to offer employment to Business Employees who, between the date hereof and the Closing Date, begin to receive long-term disability benefits pursuant to a Seller Benefit Plan from either Seller or any of their Affiliates, except for any Business Employee who, at the time they began to receive such long-term disability benefits from either Seller or any of their Affiliates, was represented by any of the following unions under any of the CBAs with the Sellers: the Technical Control Union (the “TCU”), the United Brotherhood of Boilermakers, Iron Shipbuilders, Blacksmiths Forgers and Helpers (the “Boilermakers”), or the United Brotherhood of Carpenters and Joiners of America Carpenters (the “Carpenters”). For any Business Employee who (A) at the time he or she began to receive such long-term disability benefits from either Seller or any of their Affiliates, was represented by the TCU, the Boilermakers or the Carpenters under any of the CBAs with the Sellers, and (B) receives a medical release to return to work satisfactory to the Purchaser which, in the Purchaser’s reasonable discretion, substantiates the ability of such Business Employee to perform the functions of such Business Employee’s job immediately before the event that gave rise to the receipt of such long term disability benefits from either Seller or any of their Affiliates, within 12 months of the date on which such Business Employee began to receive such long-term disability benefits from either Seller or any of their Affiliates, the Purchaser shall offer employment to such Business Employee, subject to the same terms and conditions provided to the Transferred Employees, so long as such Business

Employee fully cooperates and complies in the execution and delivery of all forms and authorizations that are part of the Purchaser’s hiring process.

(b) Benefit Plan Matters. The Sellers shall retain all Seller Benefit Plans and the Purchaser shall not assume any obligations under any of the Sellers’ severance, pension, retiree medical or similar plans. The Sellers will be responsible for all severance, pension, retiree and other benefit obligations with respect to the Business Employees arising out of any Business Employee’s employment with the Sellers up to the Closing.

(c) COBRA Coverage. The Sellers shall be solely responsible for offering and providing any COBRA Coverage with respect to any of the Business Employees who is a “qualified beneficiary” who is covered by a Seller Benefit Plan that is a “group health plan” and who experiences a “qualifying event” on or prior to the Closing Date. The Purchaser shall be solely responsible for offering and providing any COBRA Coverage required with respect to any Transferred Employee (or other qualified beneficiary) who becomes covered by a group health plan sponsored or contributed to by the Purchaser and who experiences a qualifying event subsequent to the Closing Date. For purposes hereof, each of “qualified beneficiary”, “group health plan” and “qualifying event” shall have the meaning ascribed thereto in Section 4980B of the Code.

(d) Information. The Sellers shall assist the Purchaser in connection with its hiring process with respect to the Business Employees, including to the extent permitted by law by the provision of all information relating to each Business Employee as the Purchaser may reasonably require (including initial employment dates, termination dates, reemployment dates, attendance records, personnel and status records, hours of service, compensation and tax withholding history). The Sellers shall exercise all reasonable efforts to facilitate communication after the date hereof between the Purchaser and representatives of Union Employees including, without limitation, face-to-face meetings.

(e) Non-Solicitation. As of the Closing Date and for a period of 180 days thereafter, neither Seller nor any of the Sellers’ Affiliates shall, directly or indirectly, for itself or on behalf of another, solicit for employment or engagement as an independent contractor, or for any other similar purpose, or hire or engage, any Transferred Employee or any independent contractor of the Business on the Closing Date, other than such person who independently responded to a general solicitation for employment by such Seller or Affiliate.

Section 6.11 Labor Matters.

(a) On or before the Closing Date, each Seller shall provide the Purchaser with a schedule of all layoffs and any other “employment losses” (as that term is defined in WARN) at each site that is the subject of the Business, by site of employment, implemented by such Seller during the 90-day period preceding the Closing.

(b) The Purchaser acknowledges that one or more of the Sellers is party to the CBAs. From and after the Closing Date, the Purchaser will concede a bargaining obligation to any labor organization representing a majority of hourly employees in an appropriate unit, and will comply with the terms of the applicable CBAs. The Purchaser

47

and the Sellers agree that by this reference, the terms of any CBA required to be included in this Agreement are hereby incorporated in full, as if expressly set forth herein.

(c) The Sellers may continue with the JCO RIF; *provided, however*, the Sellers will keep the Purchaser informed on a timely basis of the progress thereof in such detail as the Purchaser may reasonably request. For those Business Employees who have already applied to participate in the JCO RIF and have (i) requested a resignation date that occurs after the Closing Date or (ii) indicated a range of acceptable resignation dates, which range extends beyond the Closing Date, the Sellers will use reasonable commercial efforts to secure agreement from those Business Employees or their representatives that, as a condition precedent to the Sellers' acceptance of their applications to participate in the JCO RIF, their resignations would have to occur prior to the Closing Date. Notwithstanding the foregoing, the Sellers shall not make any commitments to terminate any Business Employees where the termination date would occur after the Closing Date.

Section 6.12 Transfer Taxes; Expenses. Any sales, use or transfer Taxes or recording fees payable as a result of the transactions contemplated hereby or any other action contemplated hereby shall be paid 50% by the Sellers and 50% by the Purchaser. The Parties shall cooperate in the preparation, execution and filing of all returns, questionnaires, applications and other documents regarding Taxes and all transfer, recording, registration and other fees that become payable in connection with the transactions contemplated hereby that are required or permitted to be filed at or prior to the Closing. The Purchaser shall provide to each Seller (a) a completed valid Texas Resale Certificate with respect to items contained in Product Inventory that the Purchaser will sell in the ordinary course of business, (b) a completed valid Texas Sales and Use Tax Exemption Certificate with respect to items that the Purchaser will claim exemption from sales and use tax, and (c) a completed valid federal excise tax Notification Certificate of Taxable Fuel Registrant (i.e., proof of taxable fuel registration as prescribed under Code Reg. Section 48.4081-5). Notwithstanding the foregoing, the Purchaser will bear all fees and expenses associated with its financing described in the Financing Commitment, including without limitation fees and expenses in connection with the preparation and filing of deeds of trust and other security instruments creating Liens for the benefit of its lenders.

Section 6.13 Risk of Loss. The risk of loss with respect to the Assets shall remain with the Sellers until the Closing, at which time such risk shall pass to the Purchaser. In the event prior to the Closing any Asset is lost, damaged or destroyed, if such loss, damage or destruction (a) is in excess of \$5,000,000 and is either uninsured or within policy deductible or self-retention levels (and the Sellers shall not agree to be responsible for the amount of such loss, damage or destruction that exceeds \$5,000,000), or (b) would likely result in a Material Adverse Effect, the Purchaser may terminate this Agreement in accordance with the provisions of Section 9.1(e). Otherwise, the Closing shall proceed and the Sellers shall assign to the Purchaser the proceeds of any insurance in respect of any such loss, damage or destruction.

Section 6.14 [Reserved]

Section 6.15 Collection of Receivables. Upon Closing, each of the Sellers shall, by letter prepared by the Purchaser and reasonably satisfactory to each of the Sellers (the "Letter"), irrevocably authorize, instruct and direct that the account parties of all Receivables (such parties,

---

the "Seller Account Parties") make and deliver all payments relating thereto on or after the Closing Date to such location, bank and account (the "Lockbox Account") as the Purchaser shall specify. If, notwithstanding such Letter, any of the Seller Account Parties remits any such payments on or after the Closing Date directly or indirectly to any of the Sellers instead of to the Lockbox Account, each Seller agrees that it shall promptly (and in any event no later than 15 days following receipt) deliver all such payments that it receives to the Purchaser. Effective upon the Closing, each of the Sellers hereby authorize the Purchaser (and all Persons designated by the Purchaser) to endorse for deposit, collection or negotiation to the Purchaser's lenders checks or other payments forms (including negotiable and non-negotiable instruments) and proceeds received by the Purchaser via the Lockbox Account or from either Seller that relate to such Receivables. Each of the Sellers shall use its commercially reasonable efforts, at the Purchaser's request, to assist the Purchaser in collecting in full from the Seller Account Parties all amounts owed pursuant to such Receivables. If, after Closing, a Seller Account Party is an additional 90 days delinquent in paying the Purchaser amounts owed with respect to a Receivable acquired by the Purchaser pursuant to this Agreement that was already 90 days delinquent at the time of the Closing (the "Delinquent Amount"), then the Sellers shall promptly (but in no event later than ten days after written request) pay the Purchaser an amount equal to the Delinquent Amount; *provided, however*, that concurrently with the payment of such amount to the Purchaser, the Purchaser shall (without recourse or warranty, except as to matters arising by, through or under it) reassign to the Sellers the related Receivable. The Purchaser shall use its commercially reasonable efforts, at a Seller's request, to assist the Sellers in collecting amounts owing under accounts receivables that are the subject of clause (z) of the definition of Net Working Capital or that are reconveyed to a Seller pursuant to this Section 6.15.

Section 6.16 Key Customer and Key Supplier Visits. During the period commencing on the date hereof and ending on the Closing Date, the Sellers shall use commercially reasonable efforts to arrange for the Purchaser to meet with any Key Customer or Key Supplier that is listed on Schedule 6.16. Without the prior written consent of the Sellers, the Purchaser shall not arrange any such meetings itself or make any contact with such Persons for the purpose of discussing the Business or any Assumed Contract; *provided, however*, nothing herein shall preclude the Purchaser from having contact of any nature with any such Person for any other purpose, including without limitation to discuss existing business that the Purchaser may have with any such Person or potential future business not related to the Business. One or more employees or representatives of the Sellers may accompany the Purchaser's representative to such meetings (other than those described in the proviso to the preceding sentence) and may participate with the Purchaser's representative in any related discussions. Satisfaction by the Purchaser with the results of any such meetings or discussions with any Key Customer or Key Supplier in respect of the Business shall not be a condition precedent to its obligations to close the transactions hereunder.

Section 6.17 Real Property Matters.

(a) The Sellers shall provide to the Purchaser copies of the title commitment, title policies and surveys listed on

Schedule 6.17(a) (the “Existing Title Information”) relating to the Real Property, and shall reasonably cooperate with the Purchaser to the extent the Purchaser seeks to obtain for its and its lenders benefit TLTA title policies (“Purchaser Title Policies”) or surveys (“Surveys”) with respect to the Site, the

Combined Dock Real Property Interests and the JWWTP Conveyed Real Property Interest. The Purchaser shall bear the cost of any Purchaser Title Policies.

(b) The Parties acknowledge and agree that (i) the Real Property will be conveyed to the Purchaser at the Closing with reservations of easements, leasehold rights, other surface use rights and rights-of-access in favor of the Sellers providing for the locating of and access to the pipelines, tanks, electrical transmission lines and effluent streams that are described on Schedule 6.17(b) as being retained by the Sellers from and after the Closing together with any pumps and other equipment associated therewith (the “Seller Retained Easements”) and (ii) the Sellers will convey to the Purchaser at the Closing easements, leasehold rights, other surface rights and rights-of-access to the extent necessary across lands owned by the Sellers providing for the locating of and access to the Easement Facilities (the “Additional Conveyed Easements”). From and after the date hereof until the Closing, the Sellers and the Purchaser shall cooperate and share the out-of-pocket third-party survey costs of identifying the property covered by the Seller Retained Easements and the Additional Conveyed Easements, together with the costs of the Surveys. Such costs shall be borne 50% by the Purchaser and 50% by the Sellers.

(c) With respect to the Land Farm Site, the Parties shall use good faith efforts to finalize prior to Closing an ownership agreement that provides for an allocation of costs in accordance with the JWWTP Agreements and provides for a waiver of rights of partition, accounting and other similar rights inherent in a tenancy-in-common ownership arrangement.

Section 6.18 Post-Closing Access to Retained Books and Records.

(a) It is acknowledged by the Parties that the Retained Books and Records and the books and records included in the Assets may include information relating to the Business or otherwise be of interest to the Sellers and that the Parties should be provided access to such information. Accordingly, for a period of seven years after the Closing Date, each Party shall (and shall cause its Affiliates to) allow the other Party and its authorized representatives reasonable access to all Retained Books and Records relating to the Business and the books and records included in the Assets, upon prior written notice and during normal working hours at the location where such books and records are stored, and such other Party shall have the right, at its own expense, to make copies of such books and records; *provided, however*, that any such access or copying shall be had or done in such a manner so as not to unreasonably interfere with the normal conduct of the Party’s business.

(b) It is further acknowledged by the Parties that data or information relating to the Business, or copies thereof, may be retained in the Sellers’ paper files, electronic storage media or otherwise. From and after the Closing Date, the Sellers will safeguard the confidentiality of any such data and information to the same extent as the Sellers safeguard the confidentiality of the Retained Books and Records.

(c) It is further acknowledged that information technology transition matters, including the timing of, formatting for and other specifics regarding delivery of books

and records included in the Assets may be covered by one or more transition services agreements executed in connection with the transaction contemplated hereby, and to the extent such agreements, or other commercial agreements, specifically address such matters, the terms and provisions of such agreements shall govern in lieu of this Section 6.18.

Section 6.19 Litigation Support. In the event and for so long as any Party or any Affiliate thereof actively is contesting or defending any action, suit, grievance, proceeding, hearing, investigation, charge, complaint, claim or demand by a third party in connection with (a) any transaction contemplated under this Agreement or (b) any fact, situation, circumstance, status, condition, activity, practice, plan, occurrence, event, incident, action, failure to act or transaction on or prior to Closing (or after Closing, if the Sellers are implicated) relating to or involving the Business, the Assets, the Business Employees, the Assumed Liabilities or the Retained Liabilities, the other Party will reasonably cooperate with such contest or defense and will make reasonably available its personnel, records and information applicable to such matter as may be necessary in connection with prudent handling of such contest or defense; *provided, however*, that, unless otherwise entitled to indemnification therefor pursuant to this Agreement, the contesting or defending Party shall reimburse the other Party for the fair and reasonable out-of-pocket costs of such efforts; *provided further, however*, that such other Party shall have notified the contesting or defending Party in writing prior to incurring any material amount of such costs. This Section 6.19 is in addition to, and does not in any way limit, the rights or obligations of any Party pursuant to Article X of this Agreement.

Section 6.20 Use of Names and Trademarks; Know-How. Following the Closing, neither the Purchaser nor any of its Affiliates shall, directly or indirectly, use or otherwise exploit the Huntsman name or any derivation thereof that would reasonably be expected to be confused therewith (the “Huntsman Name”), or any other tradenames, domain name, trademark or service mark confusingly similar thereto. Notwithstanding the foregoing, for a period of three (3) months following the Closing Date, the Purchaser and its Affiliates may, and the Sellers hereby grant to the Purchaser a non-exclusive non-transferable, royalty-free, irrevocable license to use, solely in connection with the operation of the Business, (a) pre-printed marketing materials, packaging materials, stationary, printed forms (other than MSDSs or similar documents) and office and shipping supplies on hand on the Closing Date containing the Huntsman Name

thereon and (b) the Huntsman Name to the extent on any signs at the Facilities (other than the JWWTP) or other labels on any tanks, pipelines, railcars, vehicles or other equipment, assets or properties included in the Assets. As soon as practicable following the Closing (but in no event later than such three (3) month period), the Purchaser shall remove from the Facilities (other than the JWWTP) all such signs and labels bearing the Huntsman Name.

Section 6.21 Cooperation Following the Closing. Following the Closing, each Party shall (a) deliver to the other Parties such further information and documents and shall execute and deliver to the other Parties such further instruments and agreements as any other Party shall reasonably request to consummate or confirm the transactions provided for herein, to accomplish the purpose hereof or to assure to any other Party the benefits hereof and (b) cooperate with each other to provide an orderly transition of the Business from the Sellers to the Purchaser and to minimize the disruption to the Business resulting from the transactions contemplated hereby. For a 30-day period following the Closing, each Seller will, and will cause its Affiliates to refer all

customer and supplier inquiries relating to the Business to the Purchaser, except to the extent the Sellers or their Affiliates otherwise have access to products requested by customers.

Section 6.22 Texaco Agreement. From and after the Closing, the Purchaser shall not take or fail to take any action which (a) either Seller would otherwise have been required to take or refrain from taking (had the transactions contemplated hereby not been consummated) or (b) would have resulted in a loss of rights by a Seller under the Texaco Agreement (had the transactions contemplated hereby not been consummated and a Seller taken, or failed to have taken, such action), in each case by any of the provisions of the Texaco Agreement listed on Schedule 6.22 attached hereto. The foregoing shall apply even if the Texaco Agreement terminates or otherwise ceases to be in full force and effect (whether altogether or only in respect of the Assets or some portion thereof).

Section 6.23 Information Technology Matters.

(a) The Sellers shall provide to the Purchaser promptly after the Closing a copy of Transferred Computer Data identified on Schedule 6.23(a). The format and the applicable time periods for the Transferred Computer Data are also set forth on Schedule 6.23(a).

(b) During the period commencing on the date hereof and ending on the Closing Date, the Sellers, upon the Purchaser's reasonable request, shall use commercially reasonable efforts to assist the Purchaser's efforts to acquire its own software licenses for the software applications set forth on Schedule 6.23(b). The Purchaser shall defend and indemnify the Sellers for all third party claims regarding any and all software that is resident on the Transferred Information Technology Hardware, including any software licensed to either of the Sellers under the Excluded Software License Agreements that remains on the Transferred Information Technology Hardware.

Section 6.24 BFG Dock Facilities.

(a) The Purchaser hereby requests and the Sellers hereby agree that, from and after the date hereof until the Closing, the Sellers shall use their good faith efforts to work toward the construction (including hiring third parties to prepare initial engineering studies and conduct other preliminary actions) of the concrete dock facilities described on Schedule 6.24(a) ("New Dock Facilities") to replace the damaged existing BFG Dock Facilities; *provided, however*, that the Sellers shall not be obligated to spend more than \$2,900,000 (including any amount spent prior to the date hereof and including any amount spent pursuant to this Section 6.24(a)) for the repair or replacement of the BFG Dock Facilities. The Purchaser acknowledges and agrees that construction of the New Dock Facilities may implicate certain rights and obligations of the parties to the BFG Dock Facilities Agreement, including ISP Synthetic Elastomers LP ("ISP"), or any third party assignee of its interests in the BFG Dock Facilities. The Purchaser hereby waives any claim it may have against the Sellers relating to any failure or alleged failure to comply with the terms and provisions of the BFG Dock Facilities Agreement that relates to the construction of the New Dock Facilities (including any actions taken in accordance with this Section 6.24(a)). Upon the Closing, the Sellers shall assign to the Purchaser, and the Purchaser shall assume, any agreements or other contracts entered into by the Sellers that relate to the

construction of the New Dock Facilities (including any agreements and contracts entered into in accordance with this Section 6.24(a)). If the Closing does not occur for any reason, the Purchaser shall reimburse to the Sellers any costs and expenses incurred by the Sellers in accordance with this Section 6.24(a) (including any costs and expenses incurred by the Sellers from March 17, 2006 until the date this Agreement is terminated) ("New Dock Reimbursement"), such New Dock Reimbursement to be made within 15 Business days of the Sellers' notification to the Purchaser of the amount thereof; *provided, however*, that, if after such date of termination, (i) the Sellers continue the construction of the New Dock Facilities (and not wooden or other dock facilities to replace the BFG Dock Facilities) and (ii) ISP, or any third party assignee of its interests in the BFG Dock Facilities, participates or agrees to participate in the construction of the New Dock Facilities, the Sellers shall deliver or cause to be delivered to the Purchaser (and the Sellers shall make such delivery within 15 Business Days of receipt by the Sellers of any such amount), and the Purchaser shall be entitled to receive, 50% of any amounts that the Sellers receive from ISP or such third party for the construction of the New Dock Facilities up to a maximum of 50% of the amount of the New Dock Reimbursement (excluding, for the avoidance of doubt, from such amounts any amounts paid by ISP or such third party to the Sellers by way of reimbursement of or advances against, expenses of pursuing legal remedies against the Person(s) responsible for the damage to the BFG Dock Facilities and related insurers, which the Sellers shall be entitled to).

(b) From and after the Closing, if ISP, or any third party assignee of its interests in the BFG Dock Facilities, participates or agrees to participate in the repair, replacement or rebuilding of the BFG Dock Facilities (including any actions taken in accordance with Section 6.24(a)), (i) the Purchaser shall deliver or cause to be delivered to the Sellers (and the Purchaser shall make such delivery within 15 Business Days of receipt by the Purchaser of any such amounts), and the Sellers shall be entitled to receive, any amounts that ISP or such third party pays for the repair, replacement or rebuilding of the BFG Dock Facilities (including any actions taken in accordance with Section 6.24(a)) up to a maximum amount of \$1,450,000 in the aggregate for the costs of repair, replacement or rebuilding (excluding, for the avoidance of doubt, from such maximum amount any amounts paid by ISP or such third party to the Sellers by way of reimbursement of or advances against, expenses of pursuing legal remedies against the Person(s) responsible for the damage to such facilities, which the Sellers shall be entitled to), including any such amounts that ISP or such third party shall have paid to the Sellers prior to the Closing, (ii) the Purchaser shall not accept or agree to accept any consideration from ISP or such third party in connection with such repair, replacement or rebuilding of the BFG Dock Facilities (including any actions taken in accordance with Section 6.24(a)) other than money and (iii) the Purchaser shall use its commercially reasonable efforts to ensure that ISP or such third party pays in a timely manner any amounts it is obligated to pay in connection with such repair, replacement or rebuilding of the BFG Dock Facilities (including any actions taken in accordance with Section 6.24(a)).

Section 6.25 Spare Parts. From and after the date hereof, the Sellers may remove from the Site any spare, replacement and component parts that are set forth on Schedule 2.3(l) and any other Excluded Asset that is located on the Real Property.

Section 6.26 Other Agreements. To the extent required by the Other Agreements or the JWWTP Agreements, as applicable, from and after the date hereof, the Parties shall seek the

53

---

approval (collectively, the “Other Agreement Approvals”) of the relevant third parties to such Other Agreements or JWWTP Agreements, as applicable, to effect the arrangements set forth in the Term Sheet for Steam, Oxygen and Utilities Arrangement set forth on Exhibit V, the Term Sheet for Nitrogen Supply Arrangement set forth on Exhibit W and the Term Sheet for Terminal Services Arrangement set forth on Exhibit X, as applicable, and to allow the Parties to enter into the Assignment (JWWTP Agreements), the Bill of Sale (JWWTP Facilities) and the Conveyance (JWWTP Real Property).

Section 6.27 Hurricane Rita. The Sellers shall use commercially reasonable efforts to complete the Remaining Rita Repairs in all material respects; *provided, however*, that completion thereof shall not be a condition precedent to Closing and the Sellers shall have no obligation to spend more than \$1,450,000 in the aggregate on such repairs. If the repairs are not completed by Closing, the Parties shall cooperate to complete them at the Sellers’ cost (subject to the proviso in the foregoing sentence).

## ARTICLE VII CONDITIONS TO CLOSING

Section 7.1 Conditions to Each Party’s Obligations. The respective obligations of each Party to effect the transactions contemplated hereby shall be subject to the expiration or termination of the waiting period applicable to the consummation of the transactions contemplated hereby under the HSR Act.

Section 7.2 Conditions to Obligations of the Purchaser. The obligations of the Purchaser to consummate the transactions contemplated hereby shall be subject to the fulfillment or waiver by the Purchaser at or prior to the Closing of each of the following additional conditions:

(a) Injunction. There shall be no effective injunction, writ or preliminary restraining order or any order of any nature issued by a Governmental Entity of competent jurisdiction to the effect that the transactions contemplated hereby may not be consummated, no proceeding or lawsuit shall have been commenced by any Governmental Entity for the purpose of obtaining any such injunction, writ or preliminary restraining order and no written notice shall have been received from any Governmental Entity indicating an intent (i) to restrain, prevent, materially delay or restructure the transactions contemplated hereby, in each case where the Closing would (or would be reasonably likely to) result in a material fine or penalty payable by the Purchaser or any of its Affiliates or (ii) to impose any material restraint or restriction on the Purchaser’s operation of the Business following the Closing.

(b) Governmental Consents. All consents, approvals, orders or authorizations of, or registrations, declarations or filings with, all Governmental Entities required to be obtained by the Purchaser or either Seller in connection with the execution, delivery or performance hereof shall have been obtained or made (and copies thereof delivered to the Purchaser).

54

---

(c) Representations and Warranties. The representations and warranties of the Sellers set forth in Article IV shall have been true and correct in all material respects as of the date hereof and shall be true and correct in all material respects as of the Closing Date as though made on and as of the Closing Date (except to the extent they speak only to the date hereof) (without giving effect to any supplement or amendment to the Schedules except in accordance with Section 6.9(a)), except that those representations and warranties that by their terms are qualified by materiality shall be true and correct as stated.

(d) Performance of Obligations of the Sellers. The Sellers shall have performed or complied with in all material respects all covenants and agreements required to be performed by each of them hereunder at or prior to the Closing.

(e) No Material Adverse Effect. Between the date hereof and the Closing Date, there shall not have occurred any Material Adverse Effect or any development that reasonably may be expected to result in a Material Adverse Effect.

(f) No Proceedings. Since the date of this Agreement, there must not have been commenced or, to the Sellers' Knowledge, threatened any action, suit, audit, investigation, arbitration or other proceeding against either Seller involving the Business, the Assets, the Facilities or the Assumed Liabilities that reasonably may be expected to result in a Material Adverse Effect.

(g) Seller Certificates. An executive officer of Huntsman Petrochemical and an authorized representative of Huntsman Fuels shall have executed and delivered to the Purchaser a certificate as to compliance with the conditions set forth in Sections 7.2(b) (to the extent relating to a Seller), (c), (d) and (f).

(h) Consents. The Sellers shall have obtained and delivered to the Purchaser the written consents (or waivers with respect thereto) as described on Schedule 4.12 (all such consents and waivers shall be in full force and effect).

(i) Release of Liens. The Sellers shall have delivered to the Purchaser satisfactory evidence that all Permitted Liens described in clause (iv) of the definition thereof have been released unconditionally.

(j) Surveys, Title Commitments, Title Insurance. The Purchaser shall have received the Surveys and the pro-forma Purchaser Title Policies for the Site, the Additional Conveyed Easements, the Combined Dock Real Property Interests and the JWWTW Conveyed Real Property Interest, as contemplated by Section 6.17, reflecting in the case of the Site fee simple title in the Purchaser and in the case of the Combined Dock Real Property Interests and the JWWTW Conveyed Real Property Interest tenancy in common title in the Purchaser, in each case, subject to no Liens other than Permitted Liens.

Section 10.3 Indemnification Procedure.

- (a) Promptly following receipt by an Indemnified Party of notice by a third party (including any Governmental Entity) of any complaint or the commencement of any audit, investigation, action or proceeding (in each case, a "Claim") with respect to which such Indemnified Party may be entitled to receive payment from the other Party for any Purchaser Loss or any

Seller Loss (as the case may be), such Indemnified Party shall notify the Purchaser or the Sellers, as the case may be (the “Indemnifying Party”), promptly following the Indemnified Party’s receipt of notice of such Claim; provided, however, that the failure to so notify the Indemnifying Party shall relieve the Indemnifying Party from liability hereunder with respect to such Claim only if, and only to the extent that, such failure to so notify the Indemnifying Party results in the loss by the Indemnifying Party of (or other limitations to) rights and defenses otherwise available to the Indemnifying Party or the Indemnified Party with respect to such Claim. The Indemnifying Party shall have the right, upon written notice delivered to the Indemnified Party within ten days thereafter, to assume the defense of such Claim (which may be with a reservation of rights to deny liability under an indemnity), including the employment of counsel hired in consultation with the Indemnified Party (“Litigation Counsel”) and the payment of the fees and disbursements of such Litigation Counsel and other costs of such defense. In the event, however, that the Indemnifying Party declines or fails to assume the defense of such Claim provided above or to employ Litigation Counsel, in either case within such ten-day period, then such Indemnified Party may employ counsel hired in connection with the Indemnifying Party to represent or defend the Indemnified Party in any such Claim, and the Indemnifying Party shall promptly reimburse the Indemnified Party for all reasonable fees and disbursements of such counsel and other reasonable costs of such defense (which reimbursement obligation shall accrue from the first dollar of such costs as incurred by the Indemnified Party, and which, for the avoidance of doubt, shall not be subject to the prior satisfaction of the Purchaser Deductible). In any event, the Indemnifying Party shall not be required to pay the fees and disbursements of more than one counsel for all Indemnified Parties in any jurisdiction in connection with such Claim, unless Litigation Counsel determines that continued representation of the Indemnified Party is inappropriate due to a conflict of interest under applicable ethical rules resulting from its representation of both the Indemnifying Party and such Indemnified Party, in which case, the Indemnifying Party shall have the option of (i) appointing substitute counsel that does not believe it is subject to such a conflict of interest or (ii) employing and paying the fees and disbursements of different counsel to represent such Indemnified Party. Notwithstanding the Indemnifying Party’s election to assume the defense of any third party Claim, the Indemnified Party shall have the right at its cost to employ separate counsel (including local counsel) to monitor (but not control) such defense. The Indemnifying Party or the Indemnified Party (as the case may be) shall at all times use commercially reasonable efforts to keep the Indemnifying Party or Indemnified Party (as the case may be) reasonably apprised of the status of the defense of any matter the defense of which it is maintaining and to cooperate in good faith with each other with respect to the defense of any such matter.

(b) No Indemnified Party may settle or compromise any Claim or consent to the entry of any judgment with respect to which indemnification is being sought

62

---

hereunder without the prior written consent of the Indemnifying Party, unless (i) the Indemnifying Party fails to assume and maintain the defense of such Claim pursuant to Section 10.3(a), (ii) such settlement, compromise or consent does not contain any admission or statement suggesting any wrongdoing or liability on behalf of the Indemnifying Party and (iii) such settlement, compromise or consent includes an unconditional release of the Indemnifying Party and its shareholders, partners, officers, directors, employees, agents, representatives and Affiliates from all liability arising out of such Claim. An Indemnifying Party may not, without the prior written consent of the Indemnified Party, settle or compromise any claim or consent to the entry of any judgment with respect to which indemnification is being sought hereunder unless such settlement, compromise or consent (x) includes an unconditional release of the Indemnified Party and its shareholders, partners, officers, directors, employees, agents, representatives and Affiliates from all liability arising out of such Claim, (y) does not contain any admission or statement suggesting any wrongdoing or liability on behalf of the Indemnified Party and (z) does not contain any equitable order, judgment or term that in any material manner affects, restrains or interferes with the business of the Indemnified Party or any of the Indemnified Party’s Affiliates.

(c) In the event an Indemnified Party claims a right to payment pursuant hereto, such Indemnified Party shall send written notice of such Claim to the appropriate Indemnifying Party. Such notice shall specify the basis for such Claim. The failure by any Indemnified Party so to notify the Indemnifying Party shall not relieve the Indemnifying Party from any liability that it may have to such Indemnified Party with respect to any Claim made pursuant to this Section 10.3(c), it being understood that notices for Claims in respect of a breach of a representation or warranty must be delivered prior to the expiration of the Claims Period for such representation or warranty under Section 10.4. If the Indemnifying Party agrees it is liable for such Claim, it shall pay the amount of such liability to the Indemnified Party within 30 days, or, in the case of any notice in which the amount of the Claim (or any portion of the Claim) is estimated, within 30 days after such later date when the amount of such Claim (or such portion of such Claim) becomes finally determined. In the event the Indemnifying Party does not respond to such Claim or disputes its liability with respect to such Claim, such Indemnified Party and the appropriate Indemnifying Party shall, as promptly as possible, establish the merits and amount of such Claim by making good faith efforts to come to an agreement or, failing mutual agreement, by the exercise of such legal remedies as may be available, subject to Sections 10.4, 10.5, 10.7 and 10.9.

Section 10.4 Claims Period. The Claims Periods hereunder shall begin on the date hereof and terminate as follows:

(a) with respect to Purchaser Losses arising under Section 10.1(a) with respect to any breach of the special warranty of title to Real Property in the deeds referred to in Section 7.2(o)(i), the Claims Period shall continue indefinitely;

(b) with respect to Purchaser Losses arising under Section 10.1(a) with respect to any breach of Section 4.13 (Tax Returns; Taxes), the Claims Period shall terminate 30 days after the expiration of the applicable statute of limitations;

63

- (e) with respect to all other Purchaser Losses arising under Section 10.1(a) with respect to any breach of Article IV, the Claims Period shall terminate on the date that is two years following the Closing Date;

- (g) with respect to Purchaser Losses arising under Section 10.1(d) with respect to any Seller Exposure Liability, the Claims Period shall terminate on the date that is eight years following the Closing Date;
- (h) with respect to Purchaser Losses arising under Section 10.1(d) with respect to any Seller Off Site Disposal Liability or under the conveyance documents to be executed by one or both of the Sellers in connection herewith, the Claims Period shall continue indefinitely;
- (i) with respect to (i) Purchaser Losses arising under Section 10.1(d) with respect to any Seller Environmental Fines and Penalties Liability, (ii) Purchaser Losses arising under Section 10.1(c) and (iii) Seller Losses arising under Section 10.2(c), the Claims Period shall terminate upon the expiration of the applicable statute of limitations;
- (j) with respect to other Purchaser Losses arising under Section 10.1(d) or Purchaser Losses arising under Sections 10.1(b), (e), (f) or (g), the Claims Period shall terminate on the date that is five years following the Closing Date;
- (k) with respect to Seller Losses arising under Section 10.2(a) with respect to (i) any breach of Section 5.5 (Brokers, Finders and Investment Bankers), the Claims Period shall terminate upon the expiration of the applicable statute of limitations and (ii) any other breach of Article V, the Claims Period will expire on the date that is two years following the Closing Date; and
- (l) with respect to Seller Losses arising under Sections 10.2(b), (d), (e) or (f), the Claims Period shall continue indefinitely.

Notwithstanding the foregoing, if, prior to the close of business on the last day of the applicable Claims Period, an Indemnifying Party shall have been properly notified of a claim for indemnity hereunder and such claim shall not have been finally resolved or disposed of at such date, such

claim shall continue to survive and shall remain a basis for indemnity hereunder until such claim is finally resolved or disposed of in accordance with the terms hereof.

Section 10.5 Liability Limits. Except as expressly provided in the third sentence of Section 10.3(a), notwithstanding anything to the contrary set forth herein, (a) the Purchaser Indemnified Parties shall not make a claim against the Sellers in respect of Purchaser Losses unless and until the aggregate amount of such Purchaser Losses exceeds \$5,000,000 (the "Purchaser Deductible"), in which event the Purchaser Indemnified Parties may claim indemnification for all Purchaser Losses in excess of the initial \$5,000,000; and (b) in no event shall the aggregate joint and several liability of the Sellers in respect of Purchaser Losses exceed \$137,500,000 (the "Aggregate Cap"), except with respect to any Seller MTBE Liability, which shall not be subject the Aggregate Cap; *provided, however*, the amount of any Purchaser Loss for Seller MTBE Liability, if and when paid by the Sellers, shall apply against the Aggregate Cap with respect to all other Purchaser Losses.

**HUNTSMAN, TEXAS PETROCHEMICALS ENTER INTO  
DEFINITIVE AGREEMENT ON BUTADIENE BUSINESS**

**The Woodlands, TX** – Huntsman Corporation (NYSE: HUN) announced today that it has entered into a definitive agreement to sell the assets comprising its U.S. butadiene and MTBE business to Texas Petrochemicals, L.P. for a sales price of \$269 million, subject to customary adjustments. The companies expect to close the transaction in May.

The companies had signed a letter of intent regarding the sale in February.

Peter R Huntsman, President and CEO, stated, “This sale is in keeping with our strong commitment to enhance shareholder value, including our strategy to focus more on our differentiated businesses. We shall use the proceeds from the sale to reduce debt and to invest in our differentiated portfolio.”

Huntsman has owned the butadiene and MTBE business since its 1994 acquisition of Texaco Chemical Company. The manufacturing facility in Port Neches, Texas has a capacity of approximately 900 million pounds of butadiene per year and approximately 11,000 barrels per day of MTBE. The business has about 220 employees. It had 2005 revenues of approximately \$645 million and adjusted EBITDA of approximately \$43 million.

Mr. Huntsman said butadiene is a core product for Texas Petrochemicals, and the sale ensures a long-term future for the business.

Huntsman’s PO/MTBE and Oxides/Olefins facilities in Port Neches, Texas and its facility in nearby Port Arthur, Texas are not included in the sale.

Huntsman is a global manufacturer and marketer of differentiated and commodity chemicals. Its operating companies manufacture basic products for a variety of global industries including chemicals, plastics, automotive, aviation, footwear, paints and coatings, construction, technology, agriculture, health care, textiles, detergent, personal care, furniture, appliances and packaging. Originally known for pioneering innovations in packaging, and later, rapid and integrated growth in petrochemicals, Huntsman today has 11,300 employees, 57 operations in 22 countries and had 2005 revenues of \$13 billion.
