

Medium Density Fiberboard (MDF)

I-BOND[®] MDI resins

I-BOND[®] MDF PM 4390	Standard polymeric MDI resin
I-BOND[®] MDF FC 4392	Fast cure MDI resin
I-BOND[®] MDF EM 4330	Emulsifiable MDI resin
I-BOND[®] MDF EMFC 4332	Emulsifiable fast cure MDI resin

I-RELEASE[®] release agents

I-RELEASE[®] MDF 9130	A synthetic wax emulsion for internal release based on unique Huntsman technology Solids content: 30%
I-RELEASE[®] MDF 9132	A synthetic wax emulsion for internal release based on unique Huntsman technology. Solids content: 40 %
I-RELEASE[®] MDF 9141	A water based external release agent <ul style="list-style-type: none">• wax and silicone free• improved release performance when compared to more conventional release agents• cleaning effect on steel belts Solids content: 21%
