The Huntsman-Story

Huntsman Polyurethanes is a business division of Huntsman Corporation, a global manufacturer and marketer of differentiated chemicals. Combining international reach with local support, Huntsman's operating companies manufacture products for a variety of global industries. These include chemicals, plastics, automotive, aviation, textiles, footwear, paints and coatings, construction, technology, agriculture, healthcare, detergent, personal care, furniture, appliances and packaging. Originally known for pioneering innovations in packaging, and later rapid, integrated growth in petrochemicals, Huntsman today has 11,000 employees and operates from multiple locations worldwide. The Company had 2009 revenues of approximately \$8 billion.

Huntsman Polyurethanes warrants only that its products meet the specifications agreed with the buyer. Typical properties, where stated, are to be considered as representative of current production and should not be treated as specifications.
