

We create better comfort and well-being. **Together.**

At Huntsman Polyurethanes, we believe that working in true collaboration with customers is the only way to solve complex problems and find the solutions that will deliver real innovation.

So, we strive with a passion and determination to build the deep understanding of our customers that's required to get to the heart of their needs and establish lasting partnerships.

When it comes to creating better comfort and well-being in high quality, ergonomic office chairs, we'll work with you to produce cost effective, MDI-based flexible polyurethane foams that have low VOCs and can easily be molded into complex geometrical shapes. Combine our knowledge of MDI flexible foam with your expertise, and we'll create better office furniture... together.
